Clearing The Hurdles Women Building High Growth Businesses:

Clearing the Hurdles Candida G. Brush, 2004 If you're a woman entrepreneur think big and get funded *Clearing the Hurdles* shows how to overcome the obstacles that face every entrepreneur and the unique challenges women face in finding investors Five experts on women entrepreneurship guide you every step of the way through concept development planning strategy resource acquisition deployment and growth Discover how to align your business around your personal goals fill gaps in your expertise and access the money and networks you need to grow fast **High-growth Women's**

Entrepreneurship Amanda Bullough, Diana M. Hechavarría, Candida G. Brush, Linda F. Edelman, 2019-12-27 Women's entrepreneurship is vital for economic and social development yet female entrepreneurs worldwide are consistently found to have weaker sales and employment growth fewer jobs and lower profitability This book was written to address this reality and focuses on the high growth potential of women entrepreneurs **Growth-oriented Women Entrepreneurs and Their Businesses** C. G. Brush, Candida G. Brush, 2006-01-01 The female entrepreneurship researchers community has to thank these women for their brilliant work in reviewing revising and selecting the best papers from the second Diana International Conference that were finally edited for this volume the book is a good compendium of female entrepreneurship circumstances in different countries that focuses specifically on the explanation as to why gender plays a role in the number of ventures started by women and why they are in general smaller and less growth oriented Manuela Pardo del Val International Entrepreneurship and Management Journal this edited text draws upon a range of international contributors to present a comparative overview of challenges facing female entrepreneurs seeking to grow their firms this is an interesting book that makes a welcome contribution to contemporary debate Susan Marlow International Small Business Journal The data and information presented in this work will be of particular interest to students and scholars of entrepreneurship or labor and women's studies Recommended General readers upper division undergraduate through professional collections E P Hoffman Choice Enterprising new firms drive economic growth and women around the world are important contributors to that growth As entrepreneurs they seize opportunities develop and deliver new goods and services and in the process create wealth for themselves their families communities and countries This volume explores the role women entrepreneurs play in this economic progress highlighting the challenges they encounter in launching and growing their businesses and providing detailed studies of how their experiences vary from country to country Statistics show that businesses owned by women tend to remain smaller than those owned by men whether measured by the number of employees or by the size of revenues Because women led firms fail to grow as robustly the opportunities to innovate and expand are limited as are the rewards Based on recent studies that examine the links between entrepreneurial supply and demand issues this volume provides insights into how women around the world are addressing the challenges of entrepreneurial growth The first set of chapters consists of country overviews and provides discussions of the state of women growing businesses The second set of chapters

describes research projects under way in different countries and explores more focused topics under the umbrella of women business owners and business growth The volume concludes with an agenda and projects for future research Academics and policymakers will gain a greater understanding of women s entrepreneurial behaviors and outcomes through this path breaking volume Those who support women through education and training policymaking or providing entrepreneurial resources will also find the volume of great practical interest

Lifeblood Sam Frowine,2006-05 There is excitement in the air A young couple is in love The wedding is exquisite Two large families meet and celebrate The festivities go on and on The future holds so much promise Oddly enough in the midst of all the pleasantries there is a cloud present Like oil and water there are two family members who do not easily mix They are the new bride and her mother in law Their mutual antagonism is a well known but infrequently spoken about syndrome Their clash with one another is classic Despite their lack of preparation for this the individuals find themselves in a real inner war with no easy solution in sight My Son What Have You Done attempts to analyze the many aspects of this conflict including history parents baggage expectations siblings and other surrounding influences The style is analytic objective and logical The book reads lightly and entertainingly The factors from the vantage point of both combatants are laid out allowing the reader to make his or her own evaluation and judgment and to relate to the situations presented Surprisingly My Son What Have You Done moves from its original neutral position and leads rather to strong upbeat and curative conclusions Hopefully its path will be helpful for everyone involved which is the purpose for which this book was written The book includes actual interviews with both mothers in law and daughters in law which run the gamut of feelings experiences and hopes

Innovation Toward Poverty Reduction Steven Si,David Ahlstrom,Wei Jiang,John Cullen,2021-07-26 Ways in which poverty can be reduced in both countries and regions through business entrepreneurship and government has been a hot issue for researchers and policymakers in recent years Governments can play an important role in helping the poor people by non profit organizations and others that help to seed business among the poor Businesses increasingly also see the large number of people in severe poverty not only as an issue for social concern but also as a potentially large untapped market of consumers for goods and services Some scholars have called for poverty reduction through entrepreneurship owing to the fact that it can be an efficient path to also change the poor s attitudes and behaviours from a passive mode to a more active mode towards poverty reduction economically and socially In addition the sharing economy brings opportunities where everyone is a micro entrepreneur There is a recognition that these types of entrepreneurship above could offer the greatest single potential means to move individuals out of poverty in the nations and regions in the next 5 10 years This book provides new and valuable analyses of poverty and business entrepreneurship and innovation in current nations and regions including developing and developed countries As business entrepreneurship and innovation can help to generate greater business activity in settings of severe poverty they will help to solve poverty as individuals in severe poverty are able to both generate greater incomes and accumulate greater assets as they participate with large firms in those activities The chapters in this book were originally published as a special issue of the Entrepreneurship Regional Development Gender Diversity and

Inclusion Tony Wall,Gloria Y. A. Ayee,Elena V. Shabliy,Dmitry Kurochkin,2023-10-03 Gender Diversity and Inclusion Contemporary and Historical Perspectives offers a rigorous analysis of comparative gender sensitive policy and perspectives regarding gender justice and equity at global national and local levels Presenting and analyzing case studies from countries around the world including the United States Northern Ireland India Bangladesh and Iran the essays in this collection posit that gender equity dialogue and policy advancement are the main key components to progress and perseverance in gender justice both for positive outcomes and policy making at the global level In addition the contributors illustrate that greater gender equity and justice realization influences smart economy development enhancing progress and improving other positive outcomes including prospects for intergenerational justice and for the quality of societal policies and institutions

Global Women's Entrepreneurship Research Karen D. Hughes,Jennifer E. Jennings,2012-01-01 Global Women s Entrepreneurship Research responds to recent calls from academic researchers and policy analysts alike to pay greater

attention to the diversity and heterogeneity among women entrepreneurs Drawing together studies by 26 researchers affiliated with the DIANA International Research Network this collection contributes to a richer and more robust understanding of the field Part I Diverse Settings introduces research set in a range of contexts from those rarely examined to those representing more familiar terrains Part II Diverse Questions explores new questions and reframes old questions in fresh innovative ways Part III Diverse Approaches features studies with distinct methodological approaches that reflect and extend the rigour and creativity of research in this field Together the research assembled in this volume significantly advances knowledge about women s entrepreneurship around the world While the book s primary audience is academic researchers and graduate students working in the areas of women s entrepreneurship as well as entrepreneurship and family business more generally it will also be of interest to scholars working in related research areas in the sociology of gender work and organizations Policy makers in government and non government agencies as well as profit and not for profit organizations that provide services to or conduct research on women entrepreneurs will also benefit greatly from the insights provided in this unique volume
