Classical Culture And Modern Masculinity Classical Presences:

Classical Culture and Modern Masculinity Daniel Orrells, 2011-06-09 For nineteenth century thinkers in Germany and Britain who looked to Greece as the acme of past civilization the Greeks enjoyment of pederasty presented a problem Daniel Orrells s study explores the way in which this awkward issue was negotiated

Pompeii in the Public Imagination from Its Rediscovery to Today Shelley Hales, Joanna Paul, 2011-11-17 A collection of essays exploring the different ways in which the ruined city of Pompeii has been a major source of inspiration to Western imaginations Creative and popular as well as scholarly approaches are covered including an interview with the novelist Robert Harris and the volume is fully illustrated with several images in full colour

The Protean Virgil Craig Kallendorf, 2015-03-26 The Protean Virgil argues that when we try to understand how and why different readers have responded differently to the same text over time we should take into account the physical form in which they read the text as well as the text itself Using Virgil s poetry as a case study in book history the volume shows that a succession of material forms manuscript printed book illustrated edition and computer file undermines the drive toward textual and interpretive stability This stability is the traditional goal of classical scholarship which seeks to recover what Virgil wrote and how he intended it to be understood The manuscript form served to embed Virgil s poetry into Christian culture which attempted to anchor the content into a compatible theological truth Readers of early printed material proceeded differently breaking Virgil s text into memorable moral and stylistic fragments and collecting those fragments into commonplace books Furthermore early illustrated editions present a progression of re envisionings in which Virgil s poetry was situated within a succession of receiving cultures In each case however the material form helped to generate a method of reading Virgil which worked with this form but which failed to survive the transition to a new union of the textual and the physical This form induced instability reaches its climax with computerization which allows the reader new power to edit the text and to challenge the traditional association of Virgil s poetry with elite culture

The Oxford Handbook of Greek Drama in the Americas Kathryn Bosher, Fiona Macintosh, Justine McConnell, Patrice Rankine, 2015-11-05 The Oxford Handbook of Greek Drama in the Americas is the first edited collection to discuss the performance of Greek drama across the continents and archipelagos of the Americas from the beginning of the nineteenth century to the present The study and interpretation of the classics have never been restricted by geographical or linguistic boundaries but in the case of the Americas long colonial histories have often imposed such boundaries arbitrarily This volume tracks networks across continents and oceans and uncovers the ways in which the shared histories and practices in the performance arts in the Americas have routinely defied national boundaries With contributions from classicists Latin American specialists theatre and performance theorists and historians the Handbook also includes interviews with key writers including Nobel Laureate Derek Walcott Charles Mee and Anne Carson and leading theatre directors such as Peter Sellars Carey Perloff Hector Daniel Levy and Heron Coelho This richly illustrated volume seeks to define the complex

contours of the reception of Greek drama in the Americas and to articulate how these different engagements at local national or trans continental levels as well as across borders have been distinct both from each other and from those of Europe and Asia

Sculpture, Sexuality and History Jana Funke, Jen Grove, 2019-01-04 This book investigates the wide ranging connections between sculpture sexuality and history in Western culture from the eighteenth century to the present Sculpture has offered a privileged site for the articulation of sexual experience and the formation of sexual knowledge As historical objects sculptures also draw attention to the different ways in which knowledge about sexuality is facilitated through an engagement with the past Bringing together contributors from across disciplines including art history classics film studies gender studies history literary studies museum studies queer theory and reception studies the volume presents original readings of sculptural art in relation to antiquarianism aesthetics collecting cultures censorship and obscenity psychoanalysis sexology and the experience and regulation of museum spaces It examines how sculptural encounters were imagined and articulated in literature painting film and science As a whole the book opens up a new understanding of the ways in which sculptures as real or imagined objects have fundamentally shaped approaches to and receptions of the past in relation to sex gender and sexuality Chapters 8 and 10 of this book are available open access under a CC BY 4.0 license at link.springer.com

The Passions of John Addington Symonds Shane Butler, 2022-11-10 John Addington Symonds Bristol 1840 Rome 1893 was one of Victorian Britain's most prolific authors with works that included poems translations travel essays and scholarly studies on topics ranging from classical literature to the Renaissance to the poetry of his contemporaries Today however he is usually remembered for his long unpublished Memoirs a major early monument of queer life writing and for two privately printed secretly circulated essays one of which includes the earliest printed appearance in English of the word homosexual This new word first coined in German has long provided a useful milestone for historians of sexuality charting the emergence not only of new typologies but of whole new regimes of knowledge But what of the rest of Symonds's vast body of work This book returns to Symonds not as the origin of a now familiar history but as a far more complex thinker with an ambitious vision of the queerness of the world itself and of what it means to live in it

Michelangelo, Selected Scholarship in English: Life and early works William E. Wallace, 1995 The volume begins with overviews of Michelangelo's life and work and contains more focused essays on the artist's political thought and his chief biographers Ascanio Condivi and Giorgio Vasari Other articles survey Michelangelo's early career and principal works including the Rome Pietà the David the Doni Tondo and his commission to paint the Battle of Cascina in competition with Leonardo da Vinci

Classicism and the Construction of Capital Cities Richard Alston, 2025-05-15 Exploring the intriguing interplay between tradition and modernity in the 19th century capitals of London Athens and Rome Richard Alston delves into the political and architectural choices that shaped these cities as representations of self-consciously modern nations Politicians and architects invested in classical styles in their efforts to break with traditions and assert new values Classical style was employed to address

questions of urbanism and nation citizenship and belonging and history and civilization The story of 19th century architectural Classicism offers a compelling narrative of utopian dreams clashing with authoritarian politics to generate the complexities of modern urban landscapes Through these three case studies this book illuminates how Classicism became a potent tool for expressing elitist nationalism in London excluding Greeks from their own capital in Athens and reinforcing aspiration to a technocratic new Rome As such grand visions collided with modern urban realities Alston unravels the mythic allure and ultimate failure of these utopian endeavours This book presents a riveting exploration of the architectural choices that reflected the aspirations and challenges of a rapidly changing world leaving a lasting impact on the capitals and their nations

The Rhythm of Eternity Robbert-Jan Adriaansen, 2015-07-01 The Weimar era in Germany is often characterized as a time of significant change Such periods of rupture transform the way people envision the past present and future This book traces the conceptions of time and history in the Germany of the early 20th century By focusing on both the discourse and practices of the youth movement the author shows how it reinterpreted and revived the past to overthrow the premises of modern historical thought In so doing this book provides insight into the social implications of the ideological de historicization of the past

Reinventing Modern Architecture in Greece Marianna Charitonidou, 2025-05-30 This book examines the connection between the politics of the Marshall Plan and urban planning and identifies the key players such as the Greek architect and urban planner Constantinos A Doxiadis and the Italian industrialist Adriano Olivetti It also explores the architects of the Mataroa mission who played a vital role in the cross fertilisation between France and Greece and the role of travel to Greece for architects during the 19th century This book delves into the work of Constantinos A Doxiadis Adriano Olivetti Alison and Peter Smithson Iannis Xenakis Takis Zenetos Henri Lefebvre Cornelius Castoriadis Aris Konstantinidis Dimitris Pikionis and others It sheds light on how Doxiadis introduced ekistics as a novel approach to understanding the science of human settlements This book proposes that the manner in which these aforementioned architects and urban planners addressed the role of technology in everyday life and the relationship between society history culture nature architecture and urban planning could enrich our ongoing methods and debates on architecture urban planning ecology social equity and democracy This book is based on extensive archival research and will be of interest to architects artists researchers and students and scholars in architecture architectural history and theory art urban sociology cultural theory science and technology studies philosophy ecology cybernetics and aesthetics

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Classical Culture And Modern Masculinity Classical Presences eBooks, including some popular titles.

FAQs About Classical Culture And Modern Masculinity Classical Presences Books

What is a Classical Culture And Modern Masculinity Classical Presences PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Classical Culture And Modern Masculinity Classical Presences PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Classical Culture And Modern Masculinity Classical Presences PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Classical Culture And Modern Masculinity Classical Presences PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Classical Culture And Modern Masculinity Classical Presences PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
