His two obsessions have served him well. He and Chris beat the odds and stayed together through high school, college, and right on to the NBA. But life under fame's microscope isn't easy, especially when two men are pretending to be frat buddies so the world doesn't know they're the next best thing to married. Their relationship survives the sacrifices they make and the lies they tell to stay together, but when their secret is exposed, the fallout might destroy them. When nothing else could, Chris and basketball are the two things holding Xander together. Now the world is asking Xander to make a choice: Is there an option that includes a future with the man he loves?

Eric Wulfgar escaped from twisted dreams only to find insanity following him into reality. Feeling like a shell of the man he once was, his King's orders to help a New Orleans vampire clan might require more than he can give. Duty offers him no choice but to leave the shadows and return to the living. Cat Bienville is frantic. Someone or something is stalking the vampires of New Orleans. When the missing turn up dead with no explanation why and her sire disappears, she runs out of options. Left in charge of her vampire coven, Cat knows her duty is to keep her people safe. Only she's not prepared for help to come in the form of a chauvinistic male with such a tattered soul. When friends may be foes, Cat and Eric must find balance with one another in order to unveil the evil in their midst, even as a bigger threat darkens the horizon. Yet Cat's past may fracture their growing bonds. How can she give Eric her heart when her deepest secret may be more than he can ever accept?
