Königsherrschaft ohne Staat

2. Auflage

Die Ottonen Knigsherrschaft Ohne Staat

Alastair Matthews

Die Ottonen Knigsherrschaft Ohne Staat:

Die Ottonen Gerd Althoff, 2012-11-22 Das 10. Jahrhundert unter der Knigsherrschaft der Ottonen hat im Geschichtsbewusstsein der Deutschen lange Zeit einen besonderen Platz eingenommen. Sie galten als Anfang und zugleich als ein früherer Höhepunkt der Geschichte der Deutschen. Seitdem die nationale Perspektive in den Hintergrund getreten ist, erschließt die Forschung die Eigenart ottonischen Königtums zunehmend als Herrschaft ohne Staat. Nicht mehr Verwaltung und Schriftlichkeit bestimmten die Herrschaftspraxis der Könige im 10. Jahrhundert, sondern mündliche Verfahren der Konsensstiftung und Willensbildung, rituelle Akte der Herrschaftsrepräsentation und paraliturgische Demonstrationen ihres Gottesgnadentums. Dieses Buch macht diese neuen Forschungsperspektiven in einer chronologisch aufgebauten Darstellung der ottonischen Geschichte sichtbar. Hrotsvit of Gandersheim Phyllis Rugg Brown, Katharina M. Wilson, Linda A. McMillin, 2004-01-01 Hrotsvit's keen awareness of contemporary issues and her determination to provide her readers with a rich variety of exemplary female heroes and acts of personal courage offer twenty-first century readers a powerful model of responsibility and agency. **Debating medieval Europe** Stephen Mossman, 2020-12-07 Debating medieval Europe serves as an entry point for studying and teaching medieval history. Rather than simply presenting foundational knowledge or introducing sources, it provides the reader with frameworks for understanding the distinctive historiography of the period, digging beneath the historical accounts provided by other textbooks to expose the contested foundations of apparently settled narratives. It opens a space for discussion and debate as well as providing essential context for the sometimes overwhelming abundance of specialist scholarship. Volume I addresses the early Middle Ages, covering the period c. 450–c. 1050. The chapters are organised chronologically and cover such topics as the Carolingian Order, England and the Atlantic Archipelago, the Vikings and Ottonian Germany. It features a highly distinguished selection of medieval historians, including Paul Fouracre and Janet L. Nelson. The Medieval Chronicle V Erik Kooper, 2008 There are several reasons why the chronicle is particularly suited as the topic of a yearbook. In the first place, there is its ubiquity all over Europe and throughout the Middle Ages; chronicles were written both in Latin and in the vernacular, and not only in Europe but also in the countries neighbouring on it, like those of the Arabic world. Secondly, all chronicles raise such questions as: by whom, for whom, or for what purpose were they written? how do they reconstruct the past? what determined the choice of verse or prose, or what kind of literary influences are discernable in them? Finally, many chronicles have been beautifully illuminated, and the relation between text and image leads to a wholly different set of questions. The yearbook *The Medieval Chronicle* aims to provide a representative survey of the on-going research in the field of chronicle studies, illustrated by examples from specific chronicles from a wide variety of countries, periods and cultural backgrounds. *The Medieval Chronicle* is published in cooperation with the Medieval Chronicle Society. **Warfare in Tenth-Century Germany** David S. Bachrach, 2014 A complete survey of the military campaigns of the early Saxons, tactics, strategy and logistics, demonstrating in particular the

sophistication of the administration involved Over the course of half a century the first two kings of the Saxon dynasty Henry I 919 936 and Otto I 936 973 waged war across the length and breadth of Europe Ottonian armies campaigned from the banks of the Oder in the east to the Seine in the west and from the shores of the Baltic Sea in the north to the Adriatic and Mediterranean in the south In the course of scores of military operations accompanied by diligent diplomatic efforts Henry and Otto recreated the empire of Charlemagne and established themselves as the hegemonic rulers in Western Europe This book shows how Henry I and Otto I achieved this remarkable feat and provides a comprehensive analysis of the organization training morale tactics and strategy of Ottonian armies over a long half century Drawing on a vast array of sources including exceptionally important information developed through archaeological excavations it demonstrates that the Ottonian kings commanded very large armies in military operations that focused primarily on the capture of fortifications including many fortress cities of Roman origin This long term military success shows that Henry I and Otto I building upon the inheritance of their Carolingian predecessors and ultimately that of the late Roman empire possessed an extensive and well organized administration and indeed bureaucracy which mobilized the resources that were necessary for the successful conduct of war David S Bachrach is Associate Professor of History at the University of New Hampshire [Kingship and Justice in the Ottonian Empire](#) Laura Wangerin, 2019-04-12 Laura E Wangerin challenges traditional views of the Ottonian Empire's rulership Drawing from a broad array of sources including royal and imperial diplomas manuscript illuminations and histories Ottonian kingship and the administration of justice are investigated using traditional historical and comparative methodologies as well as through the application of innovative approaches such as modern systems theories This study suggests that distinctive elements of the Ottonians governing apparatus such as its decentralized structure emphasis on the royal iter and delegation of authority were essential features of a highly developed political system Kingship and Justice in the Ottonian Empire provides a welcome addition to English language scholarship on the Ottonians as well as to scholarship dealing with rulership and medieval legal studies Scholars have recognized the importance of ritual and symbolic behaviors in the Ottonian political sphere while puzzling over the apparent lack of administrative organization a contradiction between what we know about the Ottonians as successful rulers and their traditional characterization as rulers of a disorganized polity Trying to account for the apparent disparity between their political and military achievements cultural and artistic efflorescence and relative dynastic stability which seemingly accompanied a disinterest in writing law or creating a centralized hierarchical administration is a tension that persists in the scholarship This book argues that far from being accidental successes or employing primitive methods of governance the Ottonians were shrewd rulers and administrators who exploited traditional methods of conflict resolution and delegated jurisdictional authority to keep control over their vast empire Thus one of the important things that this book aims to accomplish is to challenge our preconceived notions of what successful government looks like **An Unproclaimed Empire: The Grand Duchy of Lithuania** Zenonas

Norkus,2017-07-28 *An Unproclaimed Empire The Grand Duchy of Lithuania* is an interdisciplinary study of the Grand Duchy of Lithuania GDL that is historical in subject but social scientific in approach It is also the first study to apply this comparative and social scientific method to the GDL In this book Zenonas Norkus draws on national historiographies and applies theories from comparative empire studies involving historians sociologists political scientists anthropologists and scholars in the theory of international relations allowing it to transcend differences in national viewpoints It also provides answers to contested issues in the history of the GDL and raises a number of new questions including whether the Grand Duchy was an empire or a federation and why and when it failed By adopting this imperial approach of considering the GDL as an empire this book brings something new to the research surrounding the Grand Duchy and is ideal for academics and postgraduates of early modern Lithuania early modern Eastern Europe historical sociology and the history of empires

Rules and Rituals in Medieval Power Games Gerd Althoff,2019-10-07 Gerd Althoff's new book collects fifteen of his more recent contributions most of them previously published in German which elucidate the functioning of prestate societies Examples from the Frankish and later German realm 800 1200 are used to clarify how rules and political rituals governed behavior in the power games between kings churchmen and nobles Such rules Spielregeln and rituals guided public and private behavior despite the fact that they existed only as unwritten customs The long overlooked significance of this way of establishing order has sparked a vivid and controversial international discussion in the last decades which continues today

Violence in Medieval Europe Warren C. Brown,2014-06-11 The European Middle Ages have long attracted popular interest as an era characterised by violence whether a reflection of societal brutality and lawlessness or part of a romantic vision of chivalry *Violence in Medieval Europe* engages with current scholarly debate about the degree to which medieval European society was in fact shaped by such forces Drawing on a wide variety of primary sources Warren Brown examines the norms governing violence within medieval societies from the sixth to the fourteenth century over an area covering the Romance and the Germanic speaking regions of the continent as well as England Scholars have often told the story of violence and power in the Middle Ages as one in which private violence threatened and sometimes destroyed public order Yet academics are now asking to what degree violence that we might call private in contrast to the violence wielded by a central authority might have been an effective social tool Here Brown looks at how private individuals exercised violence in defence of their rights or in vengeance for wrongs within a set of clearly understood social rules and how over the course of this period kings began to claim the exclusive right to regulate the violence of their subjects as part of their duty to uphold God's order on earth *Violence in Medieval Europe* provides both an original take on the subject and an illuminating synthesis of recent and classic scholarship It will be invaluable to students and scholars of history medieval studies and related areas for the light it casts not just on violence but on the evolution of the medieval political order

Die Ottonen Knigsherrschaft Ohne Staat Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Die Ottonen Knigsherrschaft Ohne Staat PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Die Ottonen Knigsherrschaft Ohne Staat PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Die Ottonen Knigsherrschaft Ohne Staat free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
