Bob McClurg

Chrysler 300 Manual Transmission Conversion:

Jeep CJ 1972-1986 Michael Hanssen, 2017-11-15 Identifying the Jeep CJ series vehicles as the most popular off road vehicles of all time may actually qualify as an understatement They really are that popular The CJ series arguably started after World War II with the CJ 2A being introduced to the masses and while the early CJs have their share of enthusiasts the largest group of enthusiasts began their love affair with the AMC powered Jeep CJ 5s beginning in 1972 Joined by the longer wheelbase CJ 7 models introduced in 1976 the CJ models were wildly popular through their discontinuation in 1986 when the Wrangler was introduced These were the only models originally equipped with V 8 engines in any meaningful way This era combined the ruggedness of the early Jeeps with some of the advancements and horsepower of a more modern era it makes a platform that is both fun to own and to modify Jeep guru Michael Hanssen covers all of the systems that can be upgraded to improve your Jeep s performance Upgrades include suspension components such as springs shocks and steering modifications driveline components including differentials transmissions transfer cases and axles engine upgrades including engine swaps wheel and tire upgrades aftermarket accessories and armor such as skid plates bumpers brake upgrades and more Whether you are looking to get into serious off roading or just want to make your classic CJ a little more fun this book will be a valuable tool in your shop or library p p1 margin 0 0px 0 0px 0 0px 0 0px font 12 0px Arial The History of AMC Motorsports Bob McClurg, 2016-01-15 When thinking of a manufacturer s racing involvement AMC is not a manufacturer that immediately comes to mind Yet even from the very beginning of American motorsports the companies that became AMC had some serious involvement in motorsport From the early Nash and Hudson models all the way through the muscle car era AMC had direct involvement in racing The success of Nash and Hudson in early NASCAR racing AMC Javelins in Trans Am racing and AMC s involvement with Mark Donahue and Roger Penske in both their Trans Am and 1970s NASCAR teams prove that AMC was in it to win it The History of AMC Motorsports from veteran racing journalist Bob McClurg covers it all from a Nash American Motors corporate history the first years of NASCAR the 1960s efforts that included Trans Am and drag racing Super Stock programs to the Craig Breedlove land speed record efforts when 106 world records were shattered and covered by Hot Rod magazine And let s not forget the 1970s Trans Am championships with Donahue and Penske and finally the NASCAR success with Bobby Allison in the always curious looking Matador which is also covered here Never before has a single volume chronicled the events that encompass AMC racing history Whether a hardcore racing history fan or a casual enthusiast of the AMC street offerings The History of AMC Motorsports provides a unique showcase vital to every enthusiast s library **Cars & Parts** ,1994 Car Life ,1967 *Fuel Economy Guide* ,2002 *The Autocar* ,1973 **The Hollander Manual** ,1961 **MotorBoating** ,1965-01 *Motor Cycling and Motoring* ,1970-09 Annual Report to Congress on the Automotive Technology Development Program. Fifteenth ,1995
