and new love blossoms Where walks on foggy ocean beaches or misty woods become memories that will last a lifetime A place where people and nature peacefully coexist and enjoy the company of one another A place where lost love can be reborn and lives made simple and perfect A place where you can get lost in your future and leave the darkness behind Find that place in Running Northwest Set against the unpredictable Pacific Ocean on the rocky forested northern coast of Oregon is a story about heartbreaking loss rebuilding fate and love Running Northwest takes the reader on a journey as an unexpected road weaves its way through the life of single father Thomas James and his 8 year old son Daniel In Michigan newly single Stephanie Davis is about to begin her own journey down a path she never expected and never even knew existed which will change her life in ways never imagined

Daisies Don't Lie Nancy Louise Lewis,2015-12-27 My life in journalism which began covering a notorious and until now unsolved murder in Connecticut led to attempts on my life by cops in two states You don't have to be black to have cops wanting you dead I uncovered newspaper corruption wherever I went during my thirty year career and also found corruption and dysfunction in government at all levels I ended up homeless first on East Coast streets and later in New Mexico due to the duplicitous nature of some of the papers I wrote for which promise truth but give anything but Part I details my poisoning at the hands of constabularies and others in Louisiana after I exposed an until now unpublished account of a massacre of black soldiers in 1942 which was covered up by the Army and my newspaper Part II describes homelessness in detail from a first hand perspective both on the East Coast and in New Mexico and it features columns I published while on the streets Part III describes the effort of Santa Fe cops to eliminate me permanently after I'd become a thorn in the sides of corrupt officials and newspapers by filing forty odd lawsuits I must be a cat in disguise since I wrote for newspapers in at least nine states and am still alive to tell the tale I hope this book will precipitate change in journalism the love of my life
