Lullaby Chuck Palahniuk, 2003-07-29 NATIONAL BESTSELLER From the author of the New York Times bestseller **Choke** and the cult classic **Fight Club** a cunningly plotted novel about the ultimate verbal weapon one that reinvents the apocalyptic thriller for our times A harrowing and hilarious glimpse into the future of civilization Minneapolis Star Tribune Ever heard of a culling song It s a lullaby sung in Africa to give a painless death to the old or infirm The lyrics of a culling song kill whether spoken or even just thought You can find one on page 27 of *Poems and Rhymes from Around the World* an anthology that is sitting on the shelves of libraries across the country waiting to be picked up by unsuspecting readers Reporter Carl Streator discovers the song s lethal nature while researching Sudden Infant Death Syndrome and before he knows it he s reciting the poem to anyone who bothers him As the body count rises Streator glimpses the potential catastrophe if someone truly malicious finds out about the song The only answer is to find and destroy every copy of the book in the country Accompanied by a shady real estate agent her Wiccan assistant and the assistant s truly annoying ecoterrorist boyfriend Streator begins a desperate cross country quest to put the culling song to rest

Choke Chuck Palahniuk, 2002-07-30 Victor Mancini a medical school dropout is an antihero for our deranged times Needing to pay elder care for his mother Victor has devised an ingenious scam he pretends to choke on pieces of food while dining in upscale restaurants He then allows himself to be saved by fellow patrons who feeling responsible for Victor s life go on to send checks to support him When he s not pulling this stunt Victor cruises sexual addiction recovery workshops for action visits his addled mom and spends his days working at a colonial theme park His creator Chuck Palahniuk is the visionary we need and the satirist we deserve

Not Forever, But For Now Chuck Palahniuk, 2023-09-05 From the bestselling author of **Fight Club** comes a hilarious horror satire about a family of professional killers responsible for the most atrocious events in history and the young brothers that are destined to take over Meet Otto and Cecil Two brothers growing up privileged in the Welsh countryside They enjoy watching nature shows playing with their pet pony impersonating their Grandfather and killing the help Murder is the family business after all Downton Abbey this is not However it s not so easy to continue the family legacy with the constant stream of threats and distractions seemingly leaping from the hedgerow First there is the matter of the veritable cavalcade of escaped convicts that keep showing up at their door Not to mention the debauchorous new tutor who has a penchant for speaking in Greek and dismembering sex dolls Then there s Mummy s burgeoning opioid addiction And who knows where Daddy is He just vanished one day after he and Mummy took a walk in the so called Ghost Forest With Grandfather putting pressure on Otto to step up it becomes clear that this will all end in only two ways a nuclear apocalypse or just another day among the creeping thistle and tree peonies And in a novel written by Chuck Palahniuk either are equally possible

Fight Club Chuck Palahniuk, 2025-04-25 The first rule about fight club is you don t talk about fight club Chuck Palahniuk showed himself to be his generation s most visionary satirist in this his first book **Fight Club** s estranged narrator leaves his lackluster job when he

comes under the thrall of Tyler Durden an enigmatic young man who holds secret after hours boxing matches in the basements of bars There two men fight as long as they have to This is a gloriously original work that exposes the darkness at the core of our modern world Doomed Chuck Palahniuk,2013-10-08 Madison Spencer the liveliest and snarkiest dead girl in the universe continues the afterlife adventure begun in Chuck Palahniuk s bestseller Damned Just as that novel brought us a brilliant Hell that only he could imagine Doomed is a dark and twisted apocalyptic vision from this provocative storyteller The bestselling Damned chronicled Madison s journey across the unspeakable and really gross landscape of the afterlife to confront the Devil himself But her story isn t over yet In a series of electronic dispatches from the Great Beyond Doomed describes the ultimate showdown between Good and Evil After a Halloween ritual gone awry Madison finds herself trapped in Purgatory or as mortals like you and I know it Earth She can see and hear every detail of the world she left behind yet she s invisible to everyone who s still alive Not only do people look right through her they walk right through her as well The upside is that no longer subject to physical limitations she can pass through doors and walls Her first stop is her parents luxurious apartment where she encounters the ghost of her long deceased grandmother For Madison the encounter triggers memories of the awful summer she spent upstate with Nana Minnie and her grandfather Papadaddy As she revisits the painful truth of what transpired over those months including a disturbing and finally fatal meeting in a rest stop s fetid men s room in which well never mind her saga of eternal damnation takes on a new and sinister meaning Satan has had Madison in his sights from the very beginning through her and her narcissistic celebrity parents he plans to engineer an era of eternal damnation For everyone Once again our unconventional but plucky heroine must face her fears and gather her wits for the battle of a lifetime Dante Alighieri watch your back Chuck Palahniuk is gaining on you Make Something Up Chuck Palahniuk,2015-05-26 Twenty one stories and one novella from Chuck Palahniuk literature s favorite transgressive author Make Something Up is a compilation that disturbs and delights in equal measure In Expedition fans will be thrilled to find to see a side of Tyler Durden never seen before in a precursor story to Fight Club And in other stories the absurdity of both life and death are on full display in Zombies the best and brightest of a high school prep school become tragically addicted to the latest drug craze electric shocks from cardiac defibrillators In Knock Knock a son hopes to tell one last off color joke to a father in his final moments while in Tunnel of Love a massage therapist runs the curious practice of providing relief to dying clients Funny caustic bizarre poignant these stories represent everything readers have come *Adjustment Day* Chuck Palahniuk,2018-07-05 Politicians have brought the nation to the brink of a third world war in an effort to control the burgeoning population of young males Working class men dream of burying the elites Professors propound theories that offer students only the bleakest future Into this dyspeptic time a blue black book is launched carrying such wisdom as Imagine there s no God there is no Heaven or Hell there is only your son and his son and his son and the world you leave for them The weak want you to forgo your destiny just as they ve shirked theirs A smile is your best bulletproof vest Are the directives in
