T.D. Jakes Speaks to Men, 3-in-1 T.D. Jakes, 2007-02 3 in 1 edition with Loose That Man and Let Him Go So You Call Yourself a Man and T D Jakes Speaks to Men THE APPALACHIAN TRILOGY Allan Cannon, 2013-01-27 When Andy and his best friend are caught up in the turmoil of changes in the coalfields in the middle of the twentieth century they take extremely different routes to improving means of extracting coal from the earth one through mechanization and the other through unionization and become bitter enemies Josh loves Ellen his wonderful little schoolmate with the crossed eyes and he promises her that they will always be together He leaves his depressed area seeking a better life But he keeps returning to the shadow of the Stoneface landmark Each time he is drawn back a more powerful force drives him to leave again Young Reverend Hawk an ex soldier and ex drunk with a shameful past finds romance and rancor in the Bible Belt when he is assigned against his will to return to the hometown he dislikes to take over a problematical church He is startled to learn that all of his predecessors have died strangely So he must race against time to unravel all the mysteries before he becomes the next victim The Churchman , 1889 Law, Sex, and Christian Society in Medieval Europe James A. Brundage, 2009-02-15 This monumental study of medieval law and sexual conduct explores the origin and development of the Christian church's sex law and the systems of belief upon which that law rested Focusing on the Church's own legal system of canon law James A Brundage offers a comprehensive history of legal doctrines covering the millennium from A D 500 to 1500 concerning a wide variety of sexual behavior including marital sex adultery homosexuality concubinage prostitution masturbation and incest His survey makes strikingly clear how the system of sexual control in a world we have half forgotten has shaped the world in which we live today The regulation of marriage and divorce as we know it today together with the outlawing of bigamy and polygamy and the imposition of criminal sanctions on such activities as sodomy fellatio cunnilingus and bestiality are all based in large measure upon ideas and beliefs about sexual morality that became law in Christian Europe in the Middle Ages Brundage's book is consistently learned enormously useful and frequently entertaining It is the best we have on the relationships between theological norms legal principles and sexual practice Peter Iver Kaufman Church History **The Corrupter of Boys** Dyan Elliott, 2020-11-27 In the fourth century clerics began to distinguish themselves from members of the laity by virtue of their augmented claims to holiness Because clerical celibacy was key to this distinction religious authorities of all stripes patristic authors popes theologians canonists monastic founders and commentators became progressively sensitive to sexual scandals that involved the clergy and developed sophisticated tactics for concealing or dispelling embarrassing lapses According to Dyan Elliott the fear of scandal dictated certain lines of action and inaction the consequences of which are painfully apparent today In *The Corrupter of Boys* she demonstrates how in conjunction with the requirement of clerical celibacy scandal averse policies at every conceivable level of the ecclesiastical hierarchy have enabled the widespread sexual abuse of boys and male adolescents within the Church Elliott examines more than a

millennium s worth of doctrine and practice to uncover the origins of a culture of secrecy and concealment of sin She charts the continuities and changes from late antiquity into the high Middle Ages in the use of boys as sexual objects before focusing on four specific milieus in which boys and adolescents would have been especially at risk in the high and later Middle Ages the monastery the choir the schools and the episcopal court *The Corrupter of Boys* is a work of stunning breadth and discomfoting resonance as Elliott concludes that the same clerical prerogatives and privileges that were formulated in late antiquity and the medieval era and the same strategies to cover up the abuses they enable remain very much in place

PENNINGTON Allan Cannon,2012-12-02 *PENNINGTON*Young Reverend Lincoln Davis Hawk an ex soldier and ex drunk with a shameful past finds romance and rancor in the Bible Belt He is now an ordained minister working among the needy and downtrodden but not in a church but is assigned against his will to return to the hometown he dislikes to take over a problematical church After meeting a host of characters including the young and beautiful but enigmatic church organist and a self styled Preacher hater he is startled to learn that all of his predecessors have died mysteriously Now not only must he provide spiritual guidance for his congregation but he must also race against time to unravel all the mysteries before he becomes the next victim Morning light [afterw.] The New-Church weekly ,1885 **The Standard** ,1901 *The Living Church* ,1949 Jesus and the Gospels, Third Edition Craig L.
