Christs Alternative To Communism:

Christ's Alternative to Communism Eli Stanley Jones, 1935 **Christ's Alternative to Communism** E. Stanley Jones, 2019-10-30 In this book I said that this generation or at the most the next will have to decide between materialistic atheistic Communism and the Kingdom of God on earth I thought it would take a generation for this issue to come to a head In half a generation the issue has become acute But this book was primarily written not to emphasize the weaknesses or the strengths of Communism but to present the Christian alternative to Communism In rereading what I wrote I find myself holding to the main thesis of the book That remains intact There is a Christian alternative and our emphasis should be to apply that alternative so that a soil might be created in which Communism could not grow Communism as a system is not the answer It will break down ultimately through inherent weaknesses We must be ready with a demonstration of the Christian answer The Christian answer is the Kingdom of God on earth This book attempts to expound that answer and points to its application I am gratified to know that the main plea is still relevant and to my mind more relevant now than ever E STANLEY JONES January 3 1951 **The Holiness Manifesto** Kevin W. Mannoia, Don Thorsen, 2008-04 Does the concept of holiness hold any relevance for Christians in the twenty first century Or is it rather a relic of the past with little to offer in today s postmodern world The contributors to this book firmly insist that holiness is indeed relevant no matter the age in which we live Moreover it is essential to following Christ in the twenty first century The essayists are all members of the Wesleyan Holiness Study Project a gathering of scholars and leaders who have met since 2004 to explore the mission of the churches of the Holiness movement The book begins with two compelling ecumenical statements articulating the holiness message for today s church The Holiness Manifesto and Fresh Eyes on Holiness These are followed by a dozen penetrating essays grouped in three parts 1 the understanding of holiness in Scripture 2 holiness in historical and theological perspective and 3 holiness in relation to various practical aspects of ministry The book concludes with appendixes offering five considered descriptions of holiness The fastest growing segments of the church worldwide have their roots in the Wesleyan Holiness tradition Catholic Orthodox and other Protestant denominations are discovering its relevance to their own traditions and practices The Holiness Manifesto offers an ideal overview to those wishing to understand more about this extremely influential movement Contributors Jim Adams Barry Callen Lisa L Dorsey Roger Green Jon Huntzinger Cheryl Bridges John Craig Keen David W Kendall William Kostlevy Diane Leclerc Kevin W Mannoia James Earl Massey George McKinney Thomas A Noble Jonathan S Raymond C Stevens Schell Howard A Snyder Don Thorsen Lynn Thrush Kenneth L Waters Sr Yes in Christ Howard A. Snyder, 2011 The promises of God formed the basis of John Wesley s optimism of grace Wesley believed God not only could but in fact would fulfill all his promises to bring salvation to the nations to make new heavens and a new earth to liberate the whole creation from its bondage to decay Rom 8 21 This collection of essays by respected Wesleyan theologian Howard A Snyder reflects the spirit of Wesley s optimism of grace The first half of this collection offers an

overview of Wesley's theology and practice particularly with regard to gospel mission and culture Part Two examines the inter dynamic between church renewal and global mission The collection also includes Wesleyan appraisals of Clark Pinnock's theology and the ecclesiology of Karl Barth Howard A Snyder serves as distinguished professor and chair of Wesley Studies at Tyndale Seminary in Toronto Ontario Canada Previously he was professor of history and theology of mission in the E Stanley Jones School of World Mission and Evangelism at Asbury Theological Seminary in Wilmore Kentucky from 1996 to 2006 He has also taught at United Theological Seminary Dayton Ohio and pastored in Chicago and Detroit He has written numerous books including *The Problem with Wineskins IVP* *The Radical Wesley IVP* and most recently *Populist Saints* B T and Ellen Roberts and *the Birth of Free Methodism* Eerdmans *Salvation Means Creation Healed* Howard A. Snyder, Joel Alan Scandrett, 2011-07-13 The Bible promises the renewal of all creation a new heaven and earth based on the incarnation life death and resurrection of Jesus Christ For centuries this promise has been sidelined or misunderstood because of the church's failure to grasp the full meaning of biblical teachings on creation and new creation The Bible tells the story of the broken and restored relationship between God people and land not just God and people This is the full gospel and it has the power to heal the church's long theological divorce between earth and heaven Jesus resurrection in the power of the Holy Spirit is the key and the church as Christ's body is the primary means by which God is reconciling all things through Jesus Christ Jesus ultimate healing of all creation is the great hope and promise of the gospel and he calls the church to be his healing community now through evangelism discipleship and prophetic mission *The Fundamentalist Movement* Louis Gasper, 2020-05-18 No detailed description available for The Fundamentalist Movement [Exploring Christian Mission Beyond Christendom: United Methodist Perspectives](#) Michael G. Cartwright, 2010 **Reinhold Niebuhr Revisited** Daniel F. Rice, 2009-07-10 In 2007 then presidential candidate Barack Obama called Reinhold Niebuhr 1892-1971 his favorite philosopher Reinhold Niebuhr Revisited offers fresh and creative ways of looking at this influential American theologian's views on religion politics and culture through the eyes of diverse respected scholars **The Encyclopedia of Christian Literature** George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing

body of Christian readers and bibliophiles **The A to Z of the Holiness Movement** William Kostlevy, 2010-04-01 It is much harder to define a religious movement than it is to define a religion or denomination That applies especially when that movement almost defies definition as the Holiness Movement does The Holiness Movement is a Methodist religious renewal movement that has over 12 million adherents worldwide Perhaps the most familiar public manifestation of the holiness movement has been its urban holiness missions and the Salvation Army noted for its service ministries among poor and people suffering the dislocations that accompany war and disaster is the most notable example The A to Z of the Holiness Movement relates important new developments in the Holiness Movement such as the widely discussed Holiness Manifesto are thoroughly discussed and the content has also been expanded to include information on figures from Asia and Africa to reflect the continued growth of the Holiness Movement With a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries this reference has information that cannot be found elsewhere
