Reader's Guide to British History David Loades, 2020-12-17 The Reader's Guide to British History is the essential source to secondary material on British history This resource contains over 1 000 A-Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6-12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication

The Encyclopedia of the Stone-Campbell Movement Douglas A. Foster, 2004 Over ten years in the making The Encyclopedia of the Stone-Campbell Movement offers for the first time a sweeping historical and theological treatment of this complex vibrant global communion Written by more than 300 contributors this major reference work contains over 700 original articles covering all of the significant individuals events places and theological tenets that have shaped the Movement Much more than simply a historical dictionary this volume also constitutes an interpretive work reflecting historical consensus among Stone-Campbell scholars even as it attempts to present a fair representative picture of the rich heritage that is the Stone-Campbell Movement

BOOK JACKET The Theology of Renewal for His Church Douglas G. Bushman, 2024-01-26 Almost sixty years after Vatican II the question of its interpretation is as lively as ever While numerous theologies of renewal are advanced conspicuously absent is any serious erudition of the text taken by Paul VI John Paul II and Benedict XVI as the hermeneutical key to understanding the Council's goal and method namely Paul VI's encyclical *Ecclesiam Suam* This study corrects this inattention and proposes that Pope Paul's logic of renewal is so profoundly a dimension of divine revelation and of the Church's life that it is not just one theology of renewal among many but the theology of renewal It is thus the key to understanding the Council's authentic pastoral character The logic of renewal sets personal spiritual metanoia as the center path of renewal preceded by the path of doctrinal penetration which assures that renewal is faithful to God and complemented by the path of reinvigorated mission which is the fruit of conversion As the first post-Christendom ecumenical council Vatican II addressed the question What does it mean to be the Church of Christ at this point in history Its answer Become what you are Convert into a more perfect realization of your own mystery vocation and mission

Rudiments of Christian History Michael Petruzzelli, 2021-07-02 Rudiments of Christian History An Outline of Persons Events and Teachings is written in the format of an informal outline which presents a summary of some of the major topics of the two thousand year span of Christian history The author provides various interpretations of causal relationships of key events along with insight regarding historical persons who significantly impacted the course of Christian history and a concise explanation of basic Christian teachings and various Christian theologies A wide scope of citations from primary sources and modern and contemporary scholars both Christian and secular provides factual informativeness and in depth insight regarding the events teachings and persons involved in the unfolding of Christian

history This volume contains an extensive bibliography and clear and readily accessible reference information to the outside works that are cited

Missional Acts Daniel McGinnis, 2022-01-14 What is Luke's main purpose in writing the book of Acts In this close study of the entire Acts narrative McGinnis analyzes Luke's story of the first Christians in light of ancient rhetorical conventions concluding that Luke presents his stories to strengthen the missional commitment and practice of his readers *Missional Acts* approaches a vast amount of varied mission content systematically dividing it into rhetorical instruction about missional stimuli structures strategies and suffering while using a body analogy to provide coherence Even the enigmatic ending of Acts intentionally advances Luke's rhetorical purposes Luke's teaching finds its culmination in the ministry of his archetypal missionary the apostle Paul whose missionary journeys are a Lukan masterclass in mission strategy with much to teach about ministry that transforms whole regions McGinnis rejects the traditional dichotomy that Paul is either a missionary or a prisoner and shows that throughout his work Luke depicts suffering as an integral part of the mission seeking to prepare his readers to face opposition of various kinds *Missional Acts* will help readers approach Acts in innovative ways by reading it through a primary missional lens

World Christianity and the Unfinished Task F. Lionel Young, III, 2021-03-15 This book is a short introduction to one of the most remarkable transformations in the modern world that many people still do not know about In 1900 more than 80 percent of the world's Christians lived in Europe and North America and nearly all of the world's missionaries were sent out from the West to the rest In a dramatic turn of events Christianity experienced a decidedly Southern shift during the twentieth century Today nearly 70 percent of the world's 2.5 billion Christians live in Africa Asia and Latin America while nearly half of all missionaries are being sent out into all the world from places like Brazil Ethiopia and South Korea This book is intended to change the way readers think about the church and challenge the way the Western Christians engage in contemporary missions

The Newman-Scotus Reader Edward J. Ondrako, 2015-05-13 Drawing from the inaugural Newman Scotus Symposium this edited volume presents principles that converge with striking similarities in the thought patterns of Bl John Duns Scotus and Bl John Henry Newman With contributions from prominent philosophers and theologians this book argues in detail that Newman was overall sympathetic to many of the major themes characteristic of Scotus metaphysics and furthermore would be cautious about simply substituting historical dimensions and new hermeneutics for a sound metaphysical approach The more metaphysical approach of Scotus uncovers the implicit notional foundations of Newman's thought while the more phenomenological style of Newman assists the reader in grasping the realism and profound spirituality lying behind the more abstract presentation of Scotus Topics range from the Franciscan Scotistic motive of the Incarnation the Scotistic position of sacramental theology to intuition and certitude scientific form and real assent uncoupling Scotus from Kant the will as the power to self determine as the essential characteristic of the will with love as its object and its relationship to the intellect as moved by its object the truth and more Features of this edited work include A unique text that offers connections and contexts between Newman and

Scotus including a genuine unity of approach and substantially identical convictions concerning the nature of theology and how to conduct it Contributions from prominent philosophers and theologians such as John T Ford Timothy P Noone Cyril O Regan Peter D Fehlner Olivier Boulnois Edward J Ondrako Bishop Geoffrey Rowell Mary Beth Ingham Patricia Hutchison and Robert C Christie and includes the first hand account from Deacon Jack Sullivan of the miracle that led to Newman s beatification End of chapter study questions This book is intended for upper level undergraduate and graduate students professors and interested persons intuiting modern sensitivity to freedom in its relationship to the will and intellect Scotus and Newman provide an indispensable basis for grasping the profound insights of the Church in the Modern World Gaudium et Spes
