Chronicle Of The Living Christ Chronicle Of The Living Christ:

Chronicle of the Living Christ Robert A. Powell, 1996 This pioneering monumental work utilizes the visionary legacy of Anne Catherine Emmerich and the spiritual scientific discoveries of Rudolf Steiner concerning various hidden facts of Christ's incarnation Powell has established the dates and daily events of Jesus Christ on Earth Further he indicates their significance for our future In part one Powell gives a historical overview Then using esoteric sources and his own knowledge of sidereal astrology he offers startling insights into the circumstances of the Christmas event and the incarnation In part two Powell offers a daily chronicle of the three and a half year ministry of Jesus Christ on Earth dating the events with an unprecedented accuracy Also Powell correlates significant events in Christ's life with upcoming dates in the history of humankind and indicates that the living presence of the Christ is increasingly accessible to us *Days of the Living Christ* W. Cleon Skousen, 2018-12-21 No other life has had such an amazing impact upon the human race as did our Savior Jesus Christ From His birth in a humble stable until His death upon the cross of Golgotha He left all of us simple teachings direct commandments and profound doctrines which have altered the history of the world He performed astounding miracles that left His disciples and other onlookers stunned and speechless He condemned the hypocrisy of the religious leaders of the day who would eventually conspire and arrange His death at the hands of the Romans The culminating act of His ministry was the priceless gift of His eternal Atonement which opened the floodgates of the resurrection ending the final and icy grip of death upon all mankind One day we too will participate in the glorious experience of the resurrection when all tears will be dried and fears will cease In a matter of just three years His brief ministry changed the course of history Gone was the harsh and rigid Mosaic law replaced by the higher law of love for friends and enemies alike His life is an example to all All of these magnificent scriptural accounts and doctrines can be found within the pages of *Days of the Living Christ* *Chronicles of the End Times* Mark Davidson, 2018-10-05 Mark Davidson author of *Daniel Revisited* has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In *Daniel Revisited* Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in *Chronicles of the End Times* chiasmic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiasmic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What's the purpose of Daniel's Aramaic chapters and how do they affect the end times Which parts of

Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiasmic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy

Across the Great Border Fault Kevin T. Dann, 2000 He argues that these were expressions of the early back to nature movement whose underlying biological materialism or Naturalism was integral to American popular culture of the time

The Most Holy Trinosophia and the New Revelation of Divine Feminine Robert Powell, 2000 The rising interest in goddess spirituality expresses our current need to understand the feminine side of God the Sophia or Divine Wisdom and her relationship to the masculine aspects of God Offering a new perspective the author draws on his own research and on the teaching of Russian philosopher Pavel Florensky according to whom Sophia has a relationship to the masculine Trinity as an independent spiritual being Robert Powell discusses Sophia as a Trinity as Mother Daughter and Holy Soul and as the feminine aspect of Divine Godhead He connects our reawakening to the feminine aspect of God with many of the changes now taking place in the world Also included is an introduction to the Divine Feminine by Daniel Andreev author of *The Rose of the World* Elijah Come Again Robert A. Powell, 2009-03 12 lectures various cities November 19 1922 August 30 1924
