

Welcome Speech for Fresher's

Respected Chairperson, Guest of Honour, Hon'ble Vice Chancellor, and Hon'ble Chief Guest, faculty members, the student friends and my dear new comers- good Morning to all. I am real privileged and immensely honoured today for getting this opportunity to deliver the welcome address in this special occasion. At the very outset I, on behalf of the Centre wish all the newcomers a warm welcome to the Centre and the University in particular. This function is organized as before in order to welcome the newcomers so that they may socialize with other students and also with the academic staff of our institution.

I congratulate all of you for having secured a seat in this Centre. This is the first step towards fulfilment of your dreams and for the five years that you are here, we hope, that you can gather the best of knowledge and experience.

For most of you, this might be the first time that you are away from home. You might face problems trying to adjust to the new environment; I assure you that the teachers of our Centre are available and you can freely discuss your problems with them.

Legal profession has pleasure and thrill of its own. It invites challenge which hardly any other profession invites. The Bar Council of India after the detailed study, developed a five year integrated LLB programme with a view to give a profession orientation, a multi-disciplinary approach and a thrust to legal education. It give more importance to practical training involved by the Council in such a manner as may give the law student a much needed professional training and equipping them with adequate legal skill during the course of the study which they undergo.

Each and every law student should have an aptitude, knack and lust for acquiring knowledge and they should believe in hardwork, discipline and sincerity. Each student of law should engrave within himself or herself a solemn promise to bring laurel to legal profession.

Apart from academics, you should also make an effort to excel in various extra-curricular activities of the University and represent our Centre in all the activities. Let us make a commitment on this day to maintain a friendly and cordial relationship with each other and make this institute proud of being disciplined, punctual and giving in our best in all fields. Wishing you all a great success in days to come.
