

The background of the cover is a photograph of a church interior. It shows a long, straight aisle lined with dark wooden pews. The floor is made of light-colored stone tiles. At the far end of the aisle, there is an altar area with a large, ornate stained-glass window. The ceiling is high and features a series of pointed arches, with a large, decorative chandelier hanging from the center. The overall atmosphere is bright and spacious.

Manual Leslie Parrott, 1970 From the perspective of a veteran pastor and communicator Dr Leslie Parrott describes the function of the usher and provides practical and Scriptural guidelines on how this vital role in the church may be carried out with grace and efficiency **The Church Usher** Robert Degraw, 2010-03 In my youth I would watch the ushers at church and thought it would be neat to usher It didn't look hard and I'd get to greet everyone When I got old enough I volunteered and was hooked After I was married and moved to the big city the church I attend was very large and like most churches they needed ushers I was promoted very quickly and the responsibility didn't bother me Then I was drawn to a new daughter church This was a challenge a brand new church I offered what I could When things got settled I was running one of the services When the Head ushers spot came open I didn't think I was ready so I prayed about it A calmness came over me and I knew then it was what God wanted me to do David Foos Head Usher Canyon Hills Community Church Bothell Washington
