Forthcoming Books Rose Army, 2001-08 *Why Bother with Church?* Random House, 2001-09-01 **Emerging Issues and Response** Continuing Forum on Church and Society, 1971 **Why Men Do Not Go to Church** Cortland Myers, 1899 **Antagonists in the Church** Kenneth C. Haugk, 1988 **Troublemakers in the Church** Mark Atteberry, 2022-06-28

Most people would agree that the church is an amazing concept the idea that people who share faith in Christ can worship and serve together and enjoy sweet fellowship that has love forgiveness and mutual support as its hallmarks But the reality is often quite different When people who are part of the church behave in ways that are thoughtless selfish and even vicious then that shining ideal dims drastically and people get wounded sometimes never to recover Suddenly the one place in the community that should symbolize hope and light becomes a house of horror Why does this happen The easy answer is to point an accusing finger at Satan but what about our own culpability Troublemakers in the Church Dealing with the Difficult the Dangerous and the Deadly identifies twenty five types of troublesome church members and offers insights on how to deal with them while also offering a specific plan for how to build a church culture that manages and minimizes trouble

Day of the Wolf Coleman Luck III, 2014-09-26 Imagine a hospital where the lead surgeon was a carefully hidden serial killer who got pleasure and made money from bringing slow and excruciating death to his victims Imagine a hospital where evidence about this murderer was beginning to mount His acts were becoming clear People were crying out in pain at what he was doing yet in spite of all the evidence almost the entire staff continued to defend him even blaming his victims for their wounds and throwing them out of the hospital to fend for themselves Those who were trying to speak the truth were thrown out too Sound insane That is what is happening within many churches and Christian organizations Most Christians don't know how to recognize spiritual wolves nor do they even have the desire to do so Though wolves may be mauling Christians turn blind eyes to their attacks allowing the damage to continue and the cause of Jesus Christ to suffer great loss In the process the wounded victims are further victimized by the attitudes of ignorant cowardly people This book has been written to help those brave people who are willing to stand against the evil that is sweeping through the church

Church, Why Bother Allen Webster, Joe Slater, 2006 **Bullying in the Church** Mike Sarkissian, 2017-12-16 Bullying is a reality in our churches It has devastated many people's lives Bullying in the Church Addressing a Hidden Problem in Christianity calls God's people to understand what bullying is how we may be guilty of bullying others in the church and how imperative it is to relate to one another in love Endorsements It has been said the church is the only army that shoots its wounded Too often it's also the one doing the wounding Mike Sarkissian explores the reality of bullying in the church and points us back to the one solution to this and every problem that we would repent and believe the gospel R C Sproul Jr In Mike Sarkissian's book he discusses what God's word says about sin gossip slander and other related evils And he presents a clear and helpful analysis of how our postmodern culture has robbed us of the resources

to deal with the situation All of this within a strong gospel centered appeal I recommend this book and hope that it will receive a broad hearing Dr John Frame Professor of Systematic Theology Philosophy Reformed Theological Seminary Mike Sarkissian courageously and openly exposes the sin problem behind bullying as well as its satanic character and the dreadful havoc it reaps Masterfully he unfolds God s solution for this minimized sin to live out of the person the cross and the words of Jesus Christ Dr Joel R Beeke President Puritan Reformed Theological Seminary This book by Mike Sarkissian is rigorously biblical both in exposing the problem and providing the solution I am happy to commend this book the first I ve ever read of its kind to pastors and all of God s people as a biblical response to the evil sin of bullying Dr Mark Jones Mike addresses this neglected and timely topic He exposes relational sins that underlie and promote bullying gossip slander and favoritism Mike is convinced that God s amazing grace should affect all our relationships including those inside and outside of the church He is zealous that Christians live for God not only in word but also in deed to brighten our witness to the world His manuscript addressed primarily to laypersons and secondarily to church leaders is informative engaging and edifying Dr Robert A Peterson Drew University I was gripped by the first sentence of Mike Sarkissian s book Bullying in the Church Trisha Ramos WayofTheMaster com WretchedRadio com Pastor Mike has rendered the church a great service in addressing an issue that many Christians turn a blind eye to or are unaware of Lee Enochs Princeton Theological Seminary

When the Sheep Bite Jason R. Velotta, 2016-01-23 When the Sheep Bite gives practical yet biblical counsel to those who have been church hurt from a gospel centered perspective Far from just another how to love book When the Sheep Bite Focuses on the gospel rather than cliches about love Realistically addresses the difficulty of loving people who are hard to love Does not engage in church bashing but honors Jesus bride Demonstrates how the gospel produces love rather than exhorting people to act lovingly Gives biblical strategies for fighting the sin which stifles love Life hurts and loving people is hard Even well meaning godly people can be unkind but the gospel holds a supernatural power to love even when the sheep bite
