 Virtual Freedom Dawn C. Nunziato,2009-08-28 Communications giants like Google Comcast and AT T enjoy increasingly
unchecked control over speech As providers of broadband access and Internet search engines they can control online
expression Their online content restrictions from obstructing e mail to censoring cablecasts are considered legal because of
recent changes in free speech law In this book Dawn Nunziato criticizes recent changes in free speech law in which only the
government need refrain from censoring speech while companies are permitted to self regulate By enabling Internet
providers to exercise control over content the Supreme Court and the FCC have failed to protect the public s right to access
a broad diversity of content Nunziato argues that regulation is necessary to ensure the free flow of information and to render
the First Amendment meaningful in the twenty first century This book offers an urgent call to action recommending
