There's always been something about Rory that drew him to her, but they're like oil and water. It's not meant to be, and it's not worth fighting for. But then Chance learns Rory's pregnant at the same time someone starts sabotaging her home and business. There's not a force on this earth that can stop Chance from unleashing the warrior inside and ending the threat to his woman and child. Because they are his. And he's going to prove it to her, even if it takes his very last breath to do so.
