Dangerous Families Dangerous Families:

Dangerous Families Matt Bernstein Sycamore, 2012-11-12 Queer survivors piece together the clues to discover their own lives *Dangerous Families* Queer Writing on Surviving goes beyond the recovery narrative to create a new queer literature of investigation exploration and transformation Twenty six stories illuminate the reality of growing up in fear struggling to rebuild lives damaged by sexual physical and or emotional abuse The book explores how abuse turns queer survivors male female and transgendered into healers heartbreakers and homicidal maniacs presenting brilliant stories that sear and soar *Dangerous Families* Queer Writing on Surviving addresses all forms of abuse head on representing a cross section of queer survivors in terms of race class ethnicity education origin sexuality and gender Contributors use their own life experiences to create a book that takes back control from well meaning outsiders as they recount the daily struggle to overcome the damage done to their minds bodies and spirits in a world that denies their gender sexual and social identities From the editor *Dangerous Families* consists entirely of writing by survivors of childhood abuse That's right no therapists analyzing our plight no talk show hosts exploiting us just survivors exploring our complicated frightening and fulfilling lives These stories dispense with the usual technique of carefully massaging the reader's fragile worldview before plunging this unsuspecting innocent into a world of horror They go right to the horror the beauty and the joy often throwing the reader off guard revealing layers of meaning before the reader can step back *Dangerous Families* Queer Writing on Surviving is an anthology of 26 true stories of growing up queer in families that magnify the horrors of the outside world instead of offering protection The book is an essential read for therapists caseworkers cultural studies specialists and anyone struggling to survive childhood abuse

Dangerous Families Peter Dale, 1989 Statutory authorities frequently face anxieties in the management of families where previous fatal child abuse has occurred The principles and practices set down here should provide both managers and practitioners with a way forward **Families and the State** S. Cunningham-Burley, L. Jamieson, 2003-11-25 How possible is it for the state to steer family values and relationships How do we assess claims of harm and benefit from state action and inaction What kind of engagement should we seek between the state and our personal lives The evidence presented includes state engagements with separating couples lone parents retired people black families disabled people pregnant teenagers and young people negotiating adulthood The range of perspectives data and cross nation state comparisons helps readers to come to their own conclusions **The Secret Life of Families** Evan Imber-Black, 2009-08-19 Secrets come in all shapes and sizes And for families as well as individuals they are built on a complex web of shifting motives and emotions But today when personal revelations are posted on the Internet or sensationalized on afternoon talk shows we risk losing touch with how important secrets are how they are used and abused their power to harm and heal In this important work Evan Imber-Black explores the nature of secrets helping us understand The distinction between healthy privacy and toxic secrecy What to tell and not to tell young children How to safely confront a family zone of silence Why adolescents need to have some secrets

and where to draw the line The effect of official secrets like sealed adoption records and medical testing What to consider before revealing an important secret And much more Filled with moving first person stories The Secret Life of Families provides perspective on some of today's most sensitive personal and social issues Giving voice to our deepest fears and to our power to overcome them this is a book that will be talked about for years to come **Family Matters** Peter Reder, Mike McClure, Anthony Jolley, 2005-08-19 Family Matters focuses on research and clinical material which bridges the traditional gap between child and adult mental health Rather than considering child and adult problems separately the authors address the often complex interactions between the two covering such topics as The implications of childhood trauma in later life The impact of parental mental health problems on children How interactions within a family can affect the mental health of all individuals within the family The authors review existing research and cover their own recent studies and practical experience and put forward new theoretical models to underpin their recommendations for changes in practice such as liaison initiatives between child and adult services and specialised services to treat adolescents parenting breakdown and perinatal psychiatric illness The findings and recommendations in Family Matters have important implications for the organisation and funding of mental health and related services and staff training and should be read by all those in professions concerned with child and adult mental health including psychiatrists family therapists psychotherapists nurses health visitors and social workers and health service managers **Social Work** Vivienne E. Cree, Ann Davis, 2007-01-24 Social Work Voices from the Inside offers unique insight into social work from the perspectives of those on the inside that is service users carers and practitioners Drawing on a narrative tradition fifty nine people from across the UK tell their stories about how and why social work came into their lives and what happened next Key topics are discussed including children and family social work criminal justice social work mental health social work residential child care social work with disabled people social work with older people lessons for the future Focusing on issues for good practice in social work and social work education this book is essential reading for students and academics of social work and social policy It will also appeal to social work professionals and those in allied health education and care areas **Child Protection Assessment Following Serious Injuries to Infants** Peter Dale, Richard Green, Ron Fellows, 2005-12-13 This book is especially welcome because of the scholarship and thoughtfulness evident throughout Dr Peter Reder Child Psychiatrist London How do child protection professionals and courts make judgments on whether serious injuries to infants are due to abuse If injuries are considered to be the result of abuse in what circumstances can it be considered safe for the infant to return home Child Protection Assessment Following Serious Injuries to Infants is concerned with helping child protection professionals and courts make the right decisions and avoid errors that can have disastrous consequences for children and families Drawing upon the extensive clinical and research experience of the authors this authoritative text Reviews research on the causes of child abuse and problems in diagnosing abuse Examines the views of parents who consider that they have been wrongly accused of

child abuse Draws specific attention to the need to assess potential for change in families and considers in detail how this can be achieved Highlights skills issues that are necessary for undertaking appropriate assessments Identifies key factors that are indicative of reunification in some cases and factors that contraindicate reunification in others With its evidence based approach this book will be a valuable resource for all child protection professionals It will also be of use to health professionals legal professionals researchers lecturers and students of social work

Enhancing the Well-being of Children and Families Through Effective Interventions Colette McAuley, Peter J. Pecora, Wendy Rose, 2006 This reader compares up to date policy and research evidence from the UK and USA on the effectiveness of core child welfare interventions The text shows how knowledge of effective interventions can be used to improve assessment of needs and planning and reviewing services to children and their families

Enhancing the Well-being of Children and Families through Effective Interventions Wendy Rose, Professor Colette McAuley, Peter Pecora, 2006-01-30 Services for families and children are rightfully the focus of intense scrutiny and debate and there is a clear need to establish a knowledge of which services work well This volume provides a comprehensive overview of research evidence from the UK and USA on the effectiveness of selected child welfare interventions

Changing Families Crescy Cannan, 2014-06-06 This is a case study of the shifting boundary between family and state in Britain from the mid 1970s to 1990 The book describes a variety of family centres and shows how they have responded to the crises in child welfare and social work The book also considers the issues of gender in policy
