*Daniel (Understanding the Bible Commentary Series)* William B. Nelson, 2013-01-01 William Nelson's section by section commentary on Daniel is the newest volume in the Understanding the Bible Commentary Series. This user friendly commentary series helps any reader navigate the sometimes difficult terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become clear to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the easily understandable truth found in this commentary series.

**An Introduction to Classical Evangelical**

**Hermeneutics** Russell Penney, Time proven principles of biblical interpretation such as historical setting, grammatical setting, and contextual setting are discussed.

**Daniel's Difficulties Resolved - Revelation's Secrets Revealed** Roderick L. Yip, 2004 Daniel's Difficulties Resolved, Revelation's Secrets Revealed delves into specific details of the Biblical books of Daniel and Revelation. It is not intended as a comprehensive view of these two books but a specific study of certain often misunderstood verses of these books. Roderick Yip seeks to clarify these verses by using a comparison and contrast method of Bible study and bring the reader into a better understanding of the information presented. Ellen White repeatedly endorses the precept upon precept, line upon line approach to Bible study, especially as it relates to doctrine. This book is divided into two sections, each dealing with a particular book. The first part of each section focuses on the principles of interpretation and the format in which the book was written. Then, over the chapters, it discusses a particular chapter and studies individual issues and misunderstandings. The author goes beyond a mere presentation of his interpretations but cites other authors, including Uriah Smith in his book *The Prophecies of Daniel and The Revelation*. Particular issues included in this book are the historical information that compliments the visions in Daniel, John's often misunderstood writing style, and the unique format of both books, which is helpful to understanding them.

*Daniel* Charlene R. Fortsch, Erica Dissler, 2005-10 Some dreams or visions, if they are symbolic in nature, require an interpretation. This unique book, *Daniel: Understanding the Dreams and Visions*, unlocks and explains the structure and mysteries of the prophecies in the book of Daniel. It reveals the keys that the prophet Daniel has presented to unlock the prophecies of the Bible. Daniel expounds the prophecies in four distinct visions of how God has revealed the rise and fall of the seven earthly kingdoms, empires, many centuries in advance. The truths of these prophecies have withstood every attack from every scholar and skeptic. According to the Talmud and the Hebrew Scriptures, Daniel received and interpreted dreams and visions similar to many other Jewish prophets. This new book brings much needed clarity to the text of the prophecies of Daniel through the definitions of codewords, maps, pictures, illustrations, charts, tables, and secular historical records. The author adds comments only where necessary. An understanding of the Old Testament book of Daniel will set the foundation for a better understanding of the prophecies in the book of Revelation. In this

book the author adopts a detailed but simple approach to an intricate and complex web of prophetic truths of coming world events The object of this book is to clarify the symbolisms and cryptic codes in the ancient yet futuristic prophecies of Daniel For as Jesus said And now I have told you before it come to pass that when it is come to pass ye might believe JOHN 14 29 Take heed that no man deceive you Matt 24 4      *Understanding the New Testament and the End Times, Second Edition* Rob Dalrymple,2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God s people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God s people and the demand for holiness Thus eschatology matters      *Daniel* Marcos Davila,2018-03-26 This chapter by chapter exposition of the book of Daniel begins in approximately 605BC with the first invasion of Judah by the cruel and fearsome Babylonian king Nebuchadnezzar Because of Daniel s faithfulness God intervenes on his behalf providing information that no human could possibly know Now blessed with unusual wisdom and the gift of dream interpretation Daniel rises from a Jewish captive to an important position of influence that spans five kings and two empires In his later years Daniel is visited by the archangel Gabriel who reveals to him a part of God s eternal plan pertaining to the future of idolatrous Israel This eternal plan involved the rise of three more empires and a perversely self willed ruler known in scripture as the little horn This ruler whom history identifies as Antiochus Epiphanes is a type of the coming antichrist Examining his character and actions will aid in the recognition of the future antichrist      [What's the Truth About Heaven and Hell?](#) Douglas A. Jacoby,2013-04-01 Recent books about heaven and hell have aroused the interest of committed Christians and curious seekers alike But the wide range of viewpoints has also created confusion and left many people wondering what they are to believe This user friendly guide presents the most popular views on heaven hell purgatory judgment and related topics followed by brief easy to follow analysis Readers will be equipped to make their own well informed decisions about questions like these What happens when we die Where did the idea of purgatory come from Will our bodies be resurrected someday If so does cremation offend God Will unbelievers be judged by God and punished in hell forever Or will they be annihilated What about those who never heard the gospel message This summary of the latest Evangelical teaching and traditional mainstream scholarship provides readers with tools to assess each position in the light of Scripture      **The Vile Man of Daniel** Robert Pelletier,2018-08-03 The Vile Man of

Daniel examines all scriptures related to the Vile Man or beast who arises in the final days of mans rule on the earth It is a fresh look at the scriptures and only the scriptures without the shroud of religion All scriptures written about the beast must fit together perfectly the Old Testament the Gospels and the New Testament There can be no contradictions The book suggests that the missing ingredient with respect to proper interpretation is the hidden mystery of the one body of Jesus Christ which is not accounted for in the Old Testament but kept hidden in God until revealed to the apostle Paul in the first century Once this is understood whole sections of scriptures become plain and clear and perfect

**The Time of the End in the Book of Daniel** Thomas C. Nixon, 2002-07-05 In this the first of her adventures Jill Berrisford is adopted by a stray cat She soon becomes aware that the cat is not all it seems For instance it has something about its person belonging to a pair of small time crooks And they are willing to do anything to get it back Where the cat is hiding the stolen property and what Jill and her new friend do to foil the crooks are all revealed in this action packed adventure Set in the tranquil village of Roxdale in the Yorkshire Dales this story makes a good read for the young and not so young alike

The Prophecies of Daniel 2 John S. Evans, 2008-05 Although Daniel 2 45 states that the great statue composed of four metals and with feet of clay reveals the future relatively few biblical scholars have understood it as an amazingly accurate timeline that does exactly that Liberals have been unwilling to consider that the statue s fourth kingdom is Rome Most conservatives have recognized that it is Rome but they have gone astray by seeking a nonexistent link between that ancient empire and the modern world The key to understanding the statue is to recognize that it presents a prophecy that was fulfilled in the first century by the Coming of Christ which was the historical equivalent of the rock that destroys the statue The rock s growth into the mountain that covers all of Earth foretells a process that began in the first century and includes the thousand years of Revelation 20 This process appears to have reached a historical climax in our own time John S Evans is a retired professor of economics and international finance who taught at the University of Alabama from 1968 until 2000 after beginning his teaching career in 1959 at the University of South Dakota His professional accomplishments included a year in Mexico as a Fulbright Lecturer and the writing of a textbook on international financial management Since 1996 when he went into partial retirement his primary intellectual activity has consisted of the intensive study of the Bible with emphasis on the Book of Daniel In 2004 he published with Xulon Press The Four Kingdoms of Daniel A Defense of the Roman Sequence with AD 70 Fulfillment The present book expands on parts of The Four Kingdoms and offers much new material Evans has authored over thirty articles that have been posted at planetpreterist com and has been a frequent guest on John Anderson s Voice of Reason
