Dark Stranger Revealed The Children Of The Gods Paranormal Romance Series :

Dark Stranger Revealed I. T. Lucas, 2015-07 While sheltered in the clan's stronghold Syssi is unaware that Kian and Amanda are not human and neither are the supposedly religious fanatics that are after her. She feels a powerful connection to Kian and as he introduces her to a world of pleasure she never dared imagine his dominant sexuality is a revelation. Considering that she's completely out of her element Syssi feels completely comfortable and safe letting go with him. That is until she begins to suspect that all is not what it seems. Piecing the puzzle together she draws a scary yet wrong conclusion. Publisher's description

Dark Guardian Craved I. T. Lucas, 2017-06-25 Cautious after a lifetime of disappointments Eva is mistrustful of Bhathian's professed feelings of love. She accepts him as a lover and a confidant but not as a life partner. Jackson suspects that Tessa is his true love mate but unless she can overcome her traumatic past he might never find out. Carol gets an offer she can't refuse a chance to prove that there is more to her than meets the eye. Robert believes she's about to commit a deadly mistake but when he tries to dissuade her she asks him to leave. This time for good

Dark Healing Blind Trust I. T. Lucas, 2023-05-10 Riddled with guilt over the crimes he was forced to commit Mo'ed is ready to stand trial and accept the death sentence he believes he deserves but when the clan's alluring psychologist offers a new perspective on his past and hope for a better future he resolves to fight for his life

Dark Encounters Trilogy I. T. Lucas, 2024-04-10 Kian is still reeling from the shocking revelations about the twins when a new threat manifests eclipsing everything he's had to deal with up until now. In light of the new developments Igor the other Kra'ell prisoners and the pending trial are no longer at the forefront of his mind but the opposite is true for Vanessa. As her relationship with Mo'ed solidifies she is determined to save the male she loves even if it means breaking him free and living on the run

Dark Angel's Surrender I. T. Lucas, 2017-12-18 Honestly the best series I've read since Outlander. Wow. What a series. Heart thumping. This paranormal series is EVERYTHING. This is the ultimate romance fantasy mind blowing sex mystery everything you'll ever want in a paranormal book. My heartbeat speeds up my pulse quickens my breathing comes in gasps as I work my way through this work I can't wait to get my hands on and my mind wrapped around each new installment. You'll fall in love with the characters. They are so well developed with flaws and strengths that make them so very human but with also with special abilities that as humans you envy and wish you possessed. I can't say enough good about this series. You won't be disappointed. Brundar and Calypso is definitely one of the most beautiful love stories. Tessa and Jackson is sweet and romantic. Two stories with traumatic events in their childhood and how it changes the life of those that suffer them. In one is Brundar and in the other is Tessa and how those that love them help them heal their wounded souls. Hooked. Over the last two months I have read listened to the entire series and have pre-ordered the next book. I haven't picked up another series during this time. Normally I listen to one series and read another. I could not put these books down. I have never read any series like this one. I absolutely love that throughout the books you still hear what is going on with the previous characters. Instead of each

book having its own story it is more like one long story where new people get introduced as events happen For me this is the right balance of paranormal content Nothing too crazy but just outside the realm of possibility I T Lucas please continue to write these stories for as long as possible I am in love with all the characters and don't want to let them go Get ready for the heart pounding conclusion to Brundar and Calypso's story Oh God Shawn was dead Callie still couldn't wrap her head around it nor could she summon even a smidgen of sorrow or regret After all she had some memories with him that weren't horrible She should've felt something But there was nothing not even shock Not even horror at what had transpired over the last couple of hours Maybe it was a typical response for survivors feeling euphoric for the simple reason that they were alive Especially when that survival was nothing short of miraculous Brundar's cold hand closed around hers reminding her that they weren't out of the woods yet Her injuries were superficial and the most she had to worry about was some scarring But despite his and Anandur's reassurances Brundar might never walk again If he ended up crippled because of her she would never forgive herself for getting him involved in her crap Are you okay sweetling Are you in pain Brundar asked Her injuries were nothing compared to his and yet he was concerned about her God she loved this man The thing was if she told him that he would run off or crawl away as was the case Hey maybe this was the perfect opportunity to spring it on him Dark Survivor Awakened I. T. Lucas, 2018-07-09 This is THE BEST Paranormal Romance series I have been a huge paranormal romance fan for decades I found The Children of the Gods series a few years ago and binged the books in no time I also eagerly await every new book IT Lucas is quite prolific and the speed of her publications is amazing I love how she interweaves the stories of many different characters I also love that she makes each couple's story unique not cookie cutter Additionally she does a fantastic job of creating great short term and long term plot lines This particular new character in this new book is fantastic and I love that we finally get to know Anundar better The characterizations are great and plot lines interesting I love knowing what's going on in the lives of the people in this universe and can't wait to see how things unfold Bravo This was a strange new world she had awakened to Her memory loss must have been catastrophic because almost nothing was familiar The language was foreign to her with only a few words bearing some similarity to the language she thought in Still a full moon cycle had passed since her awakening and little by little she was gaining basic understanding of it only a few words and phrases but she was learning more each day A week or so ago a little girl on the street had tugged on her mother's sleeve and pointed at her Look Mama Wonder Woman The mother smiled apologetically saying something in the language these people spoke then scurried away with the child looking behind her shoulder and grinning When it happened again with another child on the same day it was settled Wonder Woman must have been the name of someone important in this strange world she had awoken to and since both times it had been said with a smile it must have been a good one Wonder had a nice ring to it She just wished she knew what it meant **Dark Operative** I. T. Lucas, 2018-04-26 This is one of the best paranormal series being written I have read all 19 pre ordered the next 2 and have listened to 13 on audible I was

T. Lucas,2018-12-04 HBO Are you listening I started this series on my birthday late February and waited to write a review until I finished just today 11 books later and craving for more Lucas is a new author to me but I can honestly say that I m looking forward to many more stories in this series and will be checking out others as well Truly wonderful humor loved the wedding day guys get together and great suspense not to mention all the sexy fun Balanced writing even parts that could be monotonous by other authors flow seamlessly here Didn t want to put it down but hey I had to sleep sometime I mean it HBO are you listening GoT is winding down THIS is your new number one Andrew s acclimation to his post transition body isn t easy His senses are sharper he s bigger stronger and hungrier Nathalie fears that the changes in the man she loves are more than physical Measuring up to this new version of him is going to be a challenge Carol and Robert are disillusioned with each other They are not destined mates and love is not on the horizon When Robert s three months are up he might be left with nothing to show for his sacrifice Lana contacts Anandur with disturbing news the yacht and its human cargo are in Mexico Kian must find a way to apprehend Alex and rescue the women on board without causing an international incident **Dark Widow's Secret** I. T.
