Dark Angel Alliance Gargoyles Iii:

Dark Angel Alliance: Gargoyles III Rach Elle,2015-11-28 Kingsley Leon made a very big mistake He went against the law of the shifters and tried to kill his Responsibility Awilda Rose As a result he has been demoted to a simple acquaintance of the clan his presence a mere obligation due to his shifter status But he strives to be more Now Kingsley is torn between two truths if he is not able to prove himself a capable protector to Awilda he will never garner the respect of the ones closest to him But if he does not kill Awilda then she will soon play host to the devil himself and he will have no choice but to do her bidding Both trains of thought make him cringe But as the apocalypse draws nearer he must choose one over the other the respect of the woman he loves and his dearest friend or his soul Will Kingsley Leon save us all Bawli Mandeem is a lonely shifter For far too long his only true companions have been his dreams and premonitions Too often he has spent his days and nights wishing for something more So when Sunders Harper proposes a plan to rid the city of Protectors Bawli offers his services no matter the danger involved After a second clan finds their way to the castle Bawli feels he is pushed even further down the food chain In order to make his presence known become a hero and eliminate the distraction of the Protectors at the time of war he is willing to risk his life Will Bawli Mandeem save us all Awilda Rose is undeniably and irrefutably the prophesized destroyer of the human race And there is nothing she can do to stop it But instead of giving up she continues to look for a way out Unsure if Junior Cross would ever have the stomach to hurt her even in the time of war she must find a way to defeat herself When a clan of permanent shifters arrives at the castle they shed a ray of hope on the condemned girl But others are not so quick to trust what they say Still Awilda finds herself looking to the second clan led by BeStone Soltan for comfort and guidance Awilda s world is turned upside down yet again when an unforeseen threat lays siege to the two clans betrayal of a close companion comes to light and the prophecy begins to unfold Will Awilda Rose kill us all Dark Angel Alliance: Gargoyles II Rach Elle,2015-11-26 James Rose has been on a short yet tiring mission to find his daughter Awilda He knows others are after her as well and if they find her first it could spell the end of the human race That s why he must do the unthinkable James will kill his only child With the apocalypse looming on the horizon James follows a trail that leads him to London England Now he must race to locate Awilda Rose and take her life before it s too late Will James Rose save us all Zeff Crystol is a shifter who has mastered the art of living in the shadows After surviving a past that has left him with a prominent and unsightly scar he has learned to keep his head down and out of the limelight But it became abundantly clear all of that would change the moment he met Awilda Rose Zeff soon finds himself enamored with Awilda much to the dismay of another shifter and realizes he will do just about anything to keep her safe When a deadly force threatens the clan Zeff doesn t hesitate to leap into action no matter the consequences Will Zeff Crystol save us all Awilda Rose s life has been a whirlwind since leaving the asylum She now lives in an English castle with a clan of shifters she is officially the master of a magical yet sinister Limrid and she can t deny her growing feelings for the shifter Junior despite the fact that he tried to kill

her not so long ago It was confirmed by Kingsley that Awilda was not the prophesized destroyer Still she can t seem to shake the feeling that something lurks within her something very dark and very deadly When the impending prophecy begins to plague Awilda again with threats of death to all whom she loves she must force herself to face the horrifying truth perhaps Kingsley was wrong Will Awilda Rose kill us all **Gargoyles** Rach Elle,2015-11-26

Sunders Harper once a prominent and respected member of the DAA is about to stumble upon the find of the century gargoyles But how far is he willing to go to capture a monster After linking gargoyles to a young asylum patient Harper tries to use her as bait But when she s abducted by his monsters he must track her down and rescue her before time runs out Harper is soon thrust into the girl s dark past rich with murder satanic imps and a biblical prophecy spelling out the end of days Will Sunder Harper save us all Junior Cross is a descendant of the most prominent bloodline in Shifter history he is the prophesized savior of the human race Tasked with finding and killing the prophesized destroyer Junior soon finds himself in over his head when he meets his sworn enemy and falls in love with her Junior must now find a way to both end the prophecy and save the woman he loves Will Junior Cross save us all Awilda Rose has spent the last five years in a mental institution Her reoccurring nightmares and paranoia have plagued her entire existence She had never planned on leaving the asylum until she met Sunder Harper Now Awilda is suddenly thrown into the thick of a war between human and gargoyle as well as a satanic prophecy at which she is the center Horror overtakes Awilda as she discovers she is the prophesized destroyer of the human race and the key to unlocking the gates of Hell Will Awilda Rose kill us all **Dark Angel Alliance** Rach Elle,2016-07-15

Awilda Rose is no longer in control of her own life Although she supposes she never truly was The war is rapidly approaching and soon she will become the portal through which Lucifer will manifest She will bring the gargoyle apocalypse and be responsible for the countless slaughtered in her wake After a decade of nightmarish premonitions Awilda s life will finally come to an end She can only hope it will be at the hands of the man she loves and not the devil himself Will Awilda Rose kill us all BeStone Soltan has shown his true colors Tired from his long and tragic life he is ready to cleanse the world He will be the volunteer that guides the prophecy to fruition BeStone has spent his life living in the shadows waiting five hundred years for this moment And although the savior s presence is required for the manifestation to take place he is none too worried about the outcome BeStone knows the savior s weaknesses and he is prepared to leverage every single one of them Will BeStone Soltan kill us all Junior Cross has known for some time that he is the prophesized savior of the human race and yet he couldn t be less prepared to step into that role The woman he loves more than anything has been abducted and will soon be overtaken by Hell If he doesn t stop her then the world will burn and billions will die But can he really bring himself to kill Awilda Rose The time for contemplation is over The war is now And he is our only hope Will Junior Cross save us all *Alien Encounters in Angel Grove* Gabriel P.
