"*THE DARK SIDE OF LOVE*" Dr. Ankit Kumar, 2025-10-18 Love isn't light. It's the most seductive shadow that ever crawled into the human psyche and this book drags it kicking and screaming into daylight. You think love heals. It doesn't. It hooks. It feeds your ego, hijacks your brain chemistry and rewires your identity until you no longer know where you end and your obsession begins. It doesn't ask you to care; it commands you to own. Every fairy tale ends with happily ever after. Reality ends with surveillance, jealousy, control, abuse and two people pretending it's still love because they're terrified of loneliness. This book exposes that horror not as fiction but as the default psychology of modern relationships. Dr. Ankit Kumar peels the skin off romance to show what festers underneath: the need to dominate, the craving for validation, the addiction to emotional chaos and the intoxicating pleasure of control disguised as care. You'll see how lovers morph into interrogators, how affection turns into addiction and how every perfect couple is just a crime scene of unspoken emotional manipulation. You'll understand why humans chase love not for connection but for control, comfort and identity. Inside this book you will confront the anatomy of obsession, why your brain treats love like a drug, the illusion of compatibility, how chemistry blinds you to compatibility's corpse, the psychology of control, how affection is weaponized into dominance, the spiral of abuse, how passion mutates into punishment, the myth of selfless love, why every "I love you secretly" means you are mine. This book is not for romantics; it's for realists. For those who have loved and been devoured. For those who've mistaken control for care and loyalty for fear. For those ready to see love without its perfume, raw, carnal, chemical and cruel. Because love in its truest form is neither divine nor destructive; it's both. It builds temples and burns bodies. It writes poems and files restraining orders. It saves and it suffocates depending on who's holding the leash. If you've ever loved someone so deeply it hurt, this book will tell you why it did. If you've ever been broken by the one it will tell you why it was inevitable. And if you've ever believed that love makes you human, it will show you how it also makes you dangerous. The Dark Side of Love isn't a guide. It's a confession. Of humanity's most beautiful, brutal addiction.
