Daniel John Walvoord, 2012-02-01 The book of Daniel is key to the entire Old Testament prophetic revelation Who better to help you understand Daniel s stories prophecies and dreams and give you a brighter hope for things to come than John F Walvoord one of evangelicalism s most prominent leaders and Charles Dyer a Bible professor and expert on Israel In this second work of a renewed series of commentaries Dr Walvoord addresses alleged historical inaccuracies and considers past and future fulfillments of specific prophecies At key points different views and approaches to interpretation are explored Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language Refined updated with the English Standard Version ESV and streamlined this classic text is set to help you understand and interpret the book of Daniel and gain a better grasp of what the future may bring **Daniel** John F. Walvoord, 1989 A detailed systematic analysis of the book of Daniel with emphasis on studying and refuting non biblical views *A Commentary on Daniel* Leon J. Wood, 1998-06-25 **The Non-Prophet's Guide to the Book of Daniel** Todd Hampson, 2023-10-03 Finding Stability in Chaos and Encouragement from God s Promises In today s increasingly unstable culture we need the wealth of wisdom available in the book of Daniel which teaches us to live boldly and joyfully for the Lord even in the most difficult circumstances Through Daniel you ll discover what it means to stand for righteousness in a world filled with compromise And you ll learn how to do so winsomely in a way that both enables others to gain a clear understanding of who God is and compels them to seek after Him Explore the many vivid prophecies Daniel had about the days to come prophecies that shed much light on what will happen during the end times and are deeply practical for our day You will find your faith strengthened as you see the many ways that God has kept His promises and will continue to do so God used Daniel s faithfulness and courage powerfully in his day and He can do the same through our lives today as we apply the lessons meant to help us fulfill our role in God s divine story right now Walvoord Commentary Set John F. Walvoord, Mark Hitchcock, 2014-01-14 THE REVELATION OF DANIEL CHAPTERS 11-12 Edward D. Andrews, 2021-10-06 In Daniel Chapter 11 we find two kings in opposition fighting one conflict after another for power and dominion As the decades go by one will rise up while the other will fall then the other accumulates domination One king will be at the pinnacle of his rulership while the other will be subservient Then out of nowhere periods of peace Suddenly they emerge to battle once more These kings are known as the kings of the North and the South Over time they change The end is an event yet seen far removed by millenniums from the initial kings Daniel chapter 12 delves into a question Jesus asked when the Son of Man comes will he find faith on earth Lu 18:8 The close of Daniel deals with the identity of the true worshipers in the time of the end Furthermore discover when the great tribulation starts and how many years months and days it will last Andrews also offers three additional appendices to better understand Daniel and the end times APPENDIX A What Does the Bible Really Say About the Millennium APPENDIX B Authorship of Daniel Defended APPENDIX C Identifying the Antichrist Daniel

Colin Chapman,2025-04-17 To say that Daniel is a difficult book would be an understatement We can easily be seduced by seemingly intelligent but actually misguided interpretations of Daniel s esoteric visions Or we can be tempted to just give up trying to understand them There is a better way In this informed and readable book Colin Chapman guides us towards making good sense of the Book of Daniel Far from being impenetrable or irrelevant Chapman shows us how to hear its important message for the people of God today **The Popular Bible Prophecy Commentary** Tim F. LaHaye,Edward E. Hindson,2007-02-01 Offering clear and informative explanations from notable prophecy experts a user friendly guide sheds light on a wide range of issues in Bible prophecy including the signs preceding Jesus s Second Coming Daniel s prophecies about the Antichrist Tribulation and the world s kingdoms and the interpretation of the book of Revelation *Revelation* John Walvoord,Philip E. Rawley,2011-04-01 The book of Revelation has long fascinated and even confused readers and students of the Bible Yet the Bible is written to be understood and Revelation is no exception Who better to help you understand the seals trumpets vials woes and plagues than John F Walvoord one of evangelicalism s most prominent leaders and Mark Hitchcock today s leading Bible prophecy expert In this first in a renewed series of commentaries from Dr Walvoord he points out that much of the book s symbolism can be interpreted literally At key points different views and approaches to interpretation are explored Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language Refined updated with the English Standard Version ESV and streamlined this classic text is set to help you interpret the last book of the Bible and gain a better grasp of current trends and the climax of history *Understanding Daniel Its Histories and Prophecies* Clarence Duff Th.D.
