determine the origin of an individual's sexual expression. This thought-provoking book covers many topics that are sure to cause readers to re-evaluate their thinking about the origins of gay and lesbian identity. Among the topics examined with this fresh perspective are Childhood Cross Gender Behavior and Adult Homosexuality; Gay and Lesbian Teachers and Coming Out; Homosexuality, Marriage, Fidelity and the Gay Community; Case of Gay Husbands; Can Seduction Make Straight Men Gay; Gay and Lesbian Identities in Non-industrialized Societies; Surinam, Dutch New Guinea, Turkey, Nicaragua and Argentina; Political, Economic Construction of Gay Male Identities. Readers will clearly see that the controversy over the being born gay or becoming gay debate is far from resolved. From the beginning the book explores how human beings are less constrained by biology than many would like to believe. Social circumstances and economics cause some determination of identity but not exclusively. Theoretical introductions to each chapter attempt to synthesize elements on both sides of this most contemporary debate.

A Light in the Darkness Javier Suárez-Pajares, Walter Aaron Clark, 2024-05-07. A composer of singular vision, Joaquín Rodrigo (1901-1999) is best known as the composer of one of the most popular works of music in the twentieth century, the *Concierto de Aranjuez* for guitar and orchestra. It's been featured in movies and television commercials and remains a staple of concert programs for orchestras around the world. Miles Davis said, "After listening to it for a couple of weeks I couldn't get it out of my mind and he used it as inspiration for his album *Sketches of Spain*." But as Javier Suárez-Pajares and Walter Aaron Clark reveal in this musical biography, the first complete study in English, Rodrigo's work and influence extend far beyond that singular composition. *A Light in the Darkness* takes us through Rodrigo's childhood in Valencia, the onset of blindness at the age of three and the beginnings of his musical education. He achieved some early success in Spain as a composer before moving to Paris in 1927 to advance his studies following in the footsteps of other eminent Spanish composers like Isaac Albéniz, Joaquín Turina and Manuel de Falla. There he enrolled in courses with composer Paul Dukas, met the woman who would become his wife and earned the respect and friendship of Falla, who became his champion. Along the way, Rodrigo's musical voice developed and matured as his horizons widened. Suárez-Pajares and Clark present a definitive account of the making of Rodrigo's celebrated guitar concerto, even as they capture the breadth of Rodrigo's compositional output from solo works for piano and guitar through chamber music and vocal works to concertos and orchestral pieces. As they demonstrate, Rodrigo's music is unmistakably Spanish but with his own unique accent. Rodrigo's life and career spanned a period of great tumult in Spain and he had to navigate strong shifting political and cultural currents before, during and after Franco. An authoritative life of one of the twentieth century's great musical geniuses, *A Light in the Darkness* becomes a stunning tale of how art gets made under even the most challenging circumstances.
