"The long-awaited, definitive and fascinating Dictionary of American Regional English (DARE) . . . in all we had hoped for and more. It includes the regional and folk language, great and present, of the old and the young, new and remote, white and black, the rural and the urban, from all walks of life. . . . Although DARE will be one of the most scholarly, comprehensive and detailed dictionaries ever completed. . . . it will also be one of the easiest and most enjoyable to use or consult. . . . This is an exciting, lasting work of useful scholarship accompanied with confidence, a work that scholars and laypeople alike will study, use and enjoy for generations."

—Henry B. Packer, *New York Times Book Review*

"Proof that tradition, tradition and technological change haven't resulted off all the good and gracious edges of the way we talk."

—L. A. Johnson, *USA Today*

"A staggering work of collective scholarship. . . . DARE is not only a reference treasure for the scholar and the general world alike, it's a book for reading parties and spectators of all kinds. . . . Most of all, DARE is evidence that Americans speak with confidence, a work that scholars and laypeople alike will study, use and enjoy for generations."

—Henry Kissel, *Chicago Sun Times*

"In its scope and thoroughness, Cassidy's Dictionary is unmatched as a kind of refuge for colloquialisms threatened with extinction. . . . Moreover, etymology and other divisions of word study have never been given a richer breeding ground."

—Kara Brown, *Time*

"To open its pages is to thrill at the exploration of the New World and to trace the growth of American history through its language. . . . Its editors, led by Professor Frederic G. Cassidy, have sought the native poetry of America on every page."

—Frank Starbuck, *Southwestern*

"DARE is a monumental and impressive work. . . . For those studying American English or linguistics, this is a work that will be consulted again and again."

—Daniel F. Flatau, *Language and Linguistics*

"For the first time, in the nation of homogenized milk and gulched puff-blanks, we have a definitive picture of who says what where when the TV is off. . . . pictures, liberally dotted out on helpful maps, provides a curious lesson in folk diversity. Even more important, it serves as a sort of verbal poster wherever all manner of endangered species—from big bats to blind dogs—linger a while longer."
