CONCUL IN MOSCOW

AN INDEPENDENT REPORT released last week indicating that the last two years' performance of the United States' economy is the best in nearly 100 years is welcome news, especially because the report also indicates that the economy will continue to grow rapidly, with the potential for significant gains in living standards. The report, however, also indicates that the economy is still in a state of "moderate recession," and that the economy is still in a state of "moderate recession," and that the economy is still in a state of "moderate recession."
