death and lifting its long black robes to peer at what lies beneath Singularity and Other Stories Melanie Tem, 2018-02-28

Singularity gathers award winning writer Melanie Tem's most important short fiction highlighting her diversity and mastery of her art. The sixty stories collected here range from *Sitting with the Driver* a western with a dark woman at its center to *Little Shit* a contemporary tale of a woman who uses her deceptive appearance and psychic power to trap those who prey on the helpless. The child in *Corn teeth* longs not only to become a part of an alien family but also to become an alien. And in the title tale a man studies singularities and string theory to both understand and blind himself to the truth about the woman he loves. Although the story is not science fiction its exploration of physics is as rigorous as that found in the best sf. Here you will find no triumphant warriors no powerful and beautiful protagonists no monsters from beyond the dark cold void or madmen bent on conquest. Tem's characters are mothers and siblings orphans and lonely seniors. Her stories are often about family and always about relationships. Even though Kelly is the only character in *Iced* in the bitter truth that lies at the story's heart is that she is doomed by her failure to maintain relationships. Melanie Tem's stories are often haunted by ghosts and monsters ghosts and monsters revealed as all too human. In *Singularity* she explores the love and terror that lie deep within all of us.

Daughter of Count Dracula: Kula's Dilemma R. Barri Flowers, From R Barri Flowers the bestselling author of the young adult *Transylvanica High* series featuring Count Dracula's Teenage Daughter and *Out for Blood* *Kula's Destiny* comes the exciting third book in the series *Daughter of Count Dracula: Kula's Dilemma*. Sixteen year old honor student Kula Lockhart is a junior at Transylvanica High School in Harbor Heights Michigan. It is one of several integrated pilot schools across the country where human and vampire students peacefully coexist. As the half human half vampire daughter of Count Dracula Kula has become a target of those who seek to destroy vampires in spite of her vamp guardians Ivan and Amelia and Kula's own growing sense of self preservation that she inherited from her father. In her latest crisis Kula is devastated when her mortal boyfriend Eriq Pratt is left clinging to life after a car accident orchestrated by a vampire hunter. When things reach a point of no return Kula turns Eriq into a vampire to keep him alive forever. Eriq must adjust to his new life as a vampire even as he tries to hold onto his humanity. His love for Kula is the one constant in his life as is the unwanted presence of Sebastian LeBlanc a half vampire who has the hots for Kula. Then there is Gabryela Roswell Kula's vamp half sister and the gorgeous vamp Jacquelyn Brossard a member of the rival Doerzic clan both jockeying for power and romance at Transylvanica High. In the meantime a pair of teen vampires is targeting the elderly of Harbor Heights for their blood going against the new order of bottled human blood and blood drives. As a police investigation is underway with humans and vamps on edge Kula is given the shock of her life when her birth mother she believed was dead shows up in Harbor Heights. But is it a blessing or curse? Fans of popular teen vampire and paranormal fiction series such as *Twilight* *True Blood* *Vampire Academy* and *Vampire Diaries* will love the latest chapter in this captivating series. Bonus material includes an excerpt of book four in the Transylvanica High series *Count Dracula's Daughters* *Sisters at War* a prequel novella of the series *Vampire*
