David And Solomon David And Solomon:

David and Solomon Israel Finkelstein, Neil Asher Silberman, 2007-04-03 The exciting field of biblical archaeology has revolutionized our understanding of the Bible and no one has done more to popularise this vast store of knowledge than Israel Finkelstein and Neil Silberman who revealed what we now know about when and why the Bible was first written in *The Bible Unearthed* Now with David and Solomon they do nothing less than help us to understand the sacred kings and founding fathers of western civilization David and his son Solomon are famous in the Bible for their warrior prowess legendary loves wisdom poetry conquests and ambitious building programmes Yet thanks to archaeology's astonishing finds we now know that most of these stories are myths Finkelstein and Silberman show us that the historical David was a bandit leader in a tiny back water called Jerusalem and how through wars conquests and epic tragedies like the exile of the Jews in the centuries before Christ and the later Roman conquest David and his successor were reshaped into mighty kings and even messiahs symbols of hope to Jews and Christians alike in times of strife and despair and models for the great kings of Europe A landmark work of research and lucid scholarship by two brilliant luminaries David and Solomon recasts the very genesis of western history in a whole new light

David and Solomon Israel Finkelstein, Neil Asher Silberman, 2007-04-03 The authors of the international bestseller *The Bible Unearthed* return with the history of the Bible's sacred kings *The Persuasive Portrayal of David and Solomon in Chronicles* Suk-Il Ahn, 2018-02-01 This study examines the speeches and prayers in the David Solomon narrative in Chronicles and seeks to demonstrate that the Chronicler's portrayal of David and Solomon attempts to establish the Yehudite community's identity Is the covenantal relationship still valid in the Persian period The author asserts that as a commitment to YHWH involving the worship of YHWH through the Jerusalem temple the covenantal relationship between YHWH and Israel continues even into the Persian period This study employs Kennedy's rhetorical method with the new categories of the narrative situation and the Chronicler's situation being used to further delineate his concept of the narrative situation The Chronicler's portrayal of David and Solomon through speeches and prayers serves to persuade his audience of the significance of the Jerusalem temple reformulating the Yehudite community identity as a cultic community in the Persian period

David, Solomon and Egypt Paul S. Ash, 1999-11-01 Ash re-examines the question of the relationship between Egypt and Palestine during the time of David and Solomon By analysing all the available evidence epigraphical sources from Egypt archaeological data from Palestine and the pertinent biblical texts he concludes that relations and contacts between Egypt and the peoples inhabiting ancient Palestine at the time of David and Solomon were minimal Any reconstructions of the history of relations and contacts between Egypt and Palestine including ancient Israel must take this study into consideration

The Egyptian Origins of King David and the Temple of Solomon Ahmed Osman, 2019-02-05 An investigation into the real historical figure of King David and the real location of the Temple of Solomon Identifies King David as Pharaoh Tuthmosis III of the 18th Dynasty and David's son Solomon as Pharaoh Amenhotep Tuthmosis's successor Shows how the Temple of Solomon described in the Bible corresponds with the Mortuary Temple of Luxor in Egypt Explains how David was not a descendant of Isaac but his father and how biblical narrators changed the original story of Abraham and Isaac to hide his Egyptian identity During the last two centuries thousands of ancient documents from different sites in the Middle East have been uncovered However no archaeological discovery speaks of King David or Solomon his son and successor directly or indirectly Was King David a real person or a legend like King Arthur Proposing that David was a genuine historical figure Ahmed Osman explores how his identity may be radically different than what is described in religious texts Drawing on recent archaeological historical and biblical evidence from Egypt Osman shows that David lived in Thebes Egypt rather than Jerusalem that he lived five centuries earlier than previously thought during the 15th rather than the 10th century B C and that David was not a descendant of Isaac but was in fact Isaac's father The author also reveals David's true Egyptian identity Pharaoh Tuthmosis III of the 18th Dynasty Confirming evidence from rabbinic literature that indicates Isaac was not Abraham's son despite the version provided in Genesis Osman demonstrates how biblical narrators replaced David with Abraham the Hebrew to hide the Egyptian identity of Isaac's father He shows how Egyptian historical and archaeological sources depict figures that match David's and Solomon's known characteristics in many ways including accounts of a great empire between the Euphrates and the Nile that corresponds with David's empire as described in the Bible Extending his research further the author shows that King Solomon King David's son corresponds in reality to Pharaoh Amenhotep successor of Tuthmosis III the pharaoh who stands out in the dynastic history of Egypt not only for his peaceful reign but also as the builder of the Temple of Luxor and the famed Mortuary Temple at Luxor which matches the biblical descriptions of Solomon's Temple Unveiling the real history behind the biblical story of King David Osman reveals that the great ancestor of the Israelites was in fact Egyptian

The History of Saul, David and Solomon James Allen Moseley, 2019-11-09 The stories of Saul David and Solomon are inextricably entwined but they are scattered in the Bible between the books of 1 and 2 Samuel 1 and 2 Chronicles and 1 and 2 Kings This book tells you the full true story of Israel's Greatest Kings in a single uninterrupted narrative Samuel the righteous Judge and Prophet anoints Saul a Benjamite the tallest of his countrymen as Israel's first King As Saul disobeys God and declines into madness defeat and suicide David the shepherd from Bethlehem of the tribe of Judah arises to kill the giant Goliath and become the King's son in law and rebel leader on the run Finally David becomes King of Judah and then King of Israel and the House of Saul loses its royal standing David is a man after God's own heart but his deliberate sins

adultery and murder result in bloodshed and civil war His son Solomon secures the throne over the heads of his older brothers and receives unparalleled wisdom wealth and power from God He builds the First Temple but then falls into apostasy The story of these men covers the transition of Israel from a theocracy ruled by Judges accountable directly to God to a monarchy with all the failings of men If you are a believer this book will enhance your devotions by helping you know the Biblical narrative more intimately If you are a skeptic its logic will challenge your doubts Here you will discover facets of this era surprising things in plain sight in the ink on the pages of Scripture but that many have overlooked Three Kings Hyman E. Goldin,2011-10-01 David in Luke-Acts Yuzuru Miura,2007 Revision of the author s thesis doctoral University of Aberdeen 2005 *The IVP Women's Bible Commentary* Catherine Clark Kroeger,Mary J. Evans,2002 This commentary edited by Catherine Clark Kroeger and Mary Evans is an attempt to answer the question What happens when we look at Scripture through women s eyes New and helpful insights from an international team of scholars show how Scripture is relevant to women and men alike making it a wonderful complement to other commentaries
