David I The Time Of Saul's Tyranny:

The Life of David Jan Wells, 2003-06 **Saul, Doeg, Nabal, and the "Son of Jesse"** Joseph Lozovyy, 2009-08-15 This work examines some of the stories in 1 Sam 16-25 with the particular focus placed on Saul Doeg Nabal and the son of Jesse. It seeks to discover new meaning in the structure as well as in the characters' functions in the narratives by studying the stories synchronically and diachronically. One of the mysterious characters in 1 Samuel that has puzzled many a scholar is Nabal the Calebite. This study scrutinizes the elements of his characterization in 1 Sam 25 and considers his abuses of the son of Jesse, the contextual role of the geographic setting and political environment during King Saul's reign. Similarly, this volume studies the function of the character of Doeg the Edomite in 1 Sam 21 and 22 regarding his Edomite origin, his particular business in Nob, and his official status in Saul's court. The phrase "the son of Jesse" is quite important in 1 Samuel and serves a particular purpose in the thematic development in the second half of the book. Viewed against the background of the Saul-David relationship, it underscores the superiority of the Davidic person in advancing the divine plan for the nation of Israel. The determination of the book's historical context is the key to understanding the multilayered messages. The roles of history and ideology in making these stories are also considered with the proposal that the making of the books of Samuel after the Exile (5th c. B.C.) might have been instigated by the writer's desire to create the context needed for further development of the messianic ideas.

David, the Time of Saul's Tyranny Weldon Phillip Keller, 1986 *The Politics of Print During the French Wars of Religion* Gregory P. Haake, 2020-10-12 In *The Politics of Print During the French Wars of Religion*, Gregory Haake examines how in late sixteenth-century France authors and publishers used the new medium of the printed text to control the terms of public discourse and determine history or at least their narrative of it. The creativity of the Renaissance ushered in new instability of discourse and a decline of traditional centres of authority. Gregory Haake shows that poets, authors, printers, and polemicists, including historians such as Simon Goulart, the great poets of the time such as Pierre de Ronsard or Agrippa d'Aubigné, or anonymous authors of polemical texts rushed in to take advantage of discursive uncertainty to discredit their enemies and shape the meaning of history as it unfolded.

Garland, 2017-09-19 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively. The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding, teaching, and illustrating the text.

A Practical Discipleship Model That Fosters Spiritual Maturity Owar Ojha Ojulu, 2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message This project has found that the lack of discipleship training among the Anyuwaa churches has resulted in a lack of understanding of what this ministry entails teaching and making disciples In addition failure to embed elements of the Anyuwaa culture into the discipleship approach and the persistence of certain elements of Anyuwaa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life our church and the hearts of our believers
