*The Milk of Dreams* Leonora Carrington, 2017-05-16 In English for the first time a wild and darkly funny book that combines Surrealist painter Leonora Carrington s fantastical writing and illustrations for children The maverick surrealist Leonora Carrington was an extraordinary painter and storyteller who loved to make up stories and draw pictures for her children She lived much of her life in Mexico and her sons remember sitting in a big room whose walls were covered with images of wondrous creatures towering mountains and ferocious vegetation while she told fabulous and funny tales That room was later whitewashed but some of its wonders were preserved in the little notebook that Carrington called *The Milk of Dreams* John who has wings for ears Humbert the Beautiful an insufferable kid who befriends a crocodile and grows more insufferable yet and the awesome Janzajoria are all to be encountered in *The Milk of Dreams* a book that is as unlikely outrageous and dreamy as dreams themselves

**The House of Four Seasons** Roger Duvoisin, 2017-04-04 By the author of the bestselling picture book *Petunia* *The House of Four Seasons* is a bright and lively family picture book about colors imagination and compromise When Father Mother Billy and Suzy go house hunting in the country they fall in love with a grand old house nestled among tall weeds and trees It is in need of repair and soon a carpenter mason and tinsmith come to set things straight but it needs painting too The family agrees it would be more fun to paint the house themselves but no one can agree on the color and to make matters worse the hardware store only carries three colors red blue and yellow But Father has an idea You ll see he says colors can do many tricks when they get together and with a sudden flourish a color wheel appears Budding artists and engineers will love this surprising story and adults would do well to note how Father arrives at a winning trifecta of negotiation education and thrift

*Junket Is Nice* Dorothy Kunhardt, 2013-06-25 WHAT IS JUNKET Junket is a delicious custard and a lovely dessert But why is the old man with a red

beard and red slippers eating such an enormous bowl of junket and what could he possibly be thinking about while he feasts That s a good question And one that the old man poses to the crowds and crowds of people that gather to watch him In fact almost everyone in the whole world wants to know the answer to this riddle And only one little boy has the answer This ingenious book of inspired nonsense was the very first from Dorothy Kunhardt whose Pat the Bunny has delighted generations of young children *Hickory* Palmer Brown,2013-05-14 A grandfather clock makes a lovely home for a family of mice if you don t mind the occasional clang And here Hickory lives with his parents his brother Dickory and his sister Dock But Hickory is a restless fearless mouse and he longs to be on the move to breathe the sweet air and nibble on the wild strawberries of the fields So one day in early spring with the smells of honeysuckle and clover guiding him he strikes out on his own Soon he discovers that a meadow can be a lonely place even with all its beetles and caterpillars It s not until Hop the grasshopper comes around that Hickory nds a true companion Hop warns him though that when the days get shorter and the goldenrod begins to fade the song she sings will soon be done How Hickory and Hop confront and eventually accept the end of summer forms the core of Palmer Brown s poignant story Hickory is a story of friendship and love on par with Shel Silverstein s *The Giving Tree* or E B White s *Charlotte s Web* It is also a field guide to the common plants and owers of spring summer and autumn all beautifully rendered in Palmer Brown s most colorful and joyous drawings *Beyond the Pawpaw Trees* Palmer Brown,2011-10-18 It all began on a lavender blue day the kind of day when anything can happen It was on such a day that Anna Lavinia s father saw a double rainbow and went chasing after it And it is on such a day that she and her cat Strawberry set off on their journey beyond the walled garden where the pawpaw trees grow to a place where the buttercups bloom pink and the laws of gravity don t always apply Here Anna Lavinia will test her mother s advice Never believe what you see against her father s wise words Believe only what you see and just maybe she ll finally be able to use the mysterious silver key her father left behind when he went chasing after rainbows *Beyond the Pawpaw Trees* is a tour through a land as strange and wonderful as Oz filled with people as delightfully batty as any in Alice s looking glass It is a place to return to again and again beautifully brought to life in Palmer Brown s fanciful words and intricate sugar spun drawings **The Complete Polly and the Wolf** Catherine Storr,2016-10-04 When Catherine Storr s daughter was very small she was afraid of the wolf under her bed so every night her mother would tell her a story in which Polly outwitted the wolf These bedtime stories eventually became the collection *Clever Polly and the Stupid Wolf* a wonderfully thrilling and reassuring series of adventures in which the clever independent and unstoppable Polly fools the persistent hungry young wolf time and again In a match much like Bugs Bunny and the Road Runner but more polite and quick witted Polly and the wolf develop ever more complicated ways of turning the tables on each other as they grow older and in Polly s case at least wiser Three more collections of stories followed the original *Clever Polly* all hilariously inventive variations on a much loved theme and all of the stories are collected here for the first time Alfred Ollivant's Bob, Son of Battle Alfred Ollivant,Lydia Davis,2014-08-19

Bob Son of Battle is a sheepdog so canny and careful of his flock so deeply devoted to his master James Moore and so admired for his poise and wisdom by the residents of a small village in the rugged mountains of England's North Country that young though he is he is already known as Owd Bob. In a recent contest Bob has proved himself a matchless sheepdog and if he wins the trophy two more times he'll be seen as equal to the legendary sheepdogs of yore. But Bob has a real rival Red Wull with his docked tail and bristling yellow fur a ferocious creature just like his diminutive master Adam McAdam a lonely Scot estranged not only from his English neighbors but from his son David McAdam just can't stop belittling this strapping young man all the more so since David began courting Moore's beautiful daughter Maggie. But what McAdam really wants is for his beloved Wullie to wrest the prize from Bob once and for all. The story takes a darker turn when a troubling new threat to the local flocks emerges. A dog has gone rogue sneaking out at night to feast on the flesh and blood of the sheep he is bound to protect. Again and again new sheep fall prey to this relentless predator again and again he slips away undetected. This master hunter can only be among the boldest and sharpest of dogs. Bob Son of Battle has long been a beloved classic of children's literature both in America and in England. Here the celebrated author and translator Lydia Davis who first read and loved this exciting story as a child has rendered the challenging idioms of the original into fluent and graceful English of our day making this tale of rival dogs and rival families and the shadowy terrain between Good and Bad accessible and appealing to readers of all ages.

**Donkey-donkey** Roger Duvoisin, 2016-03-08 The illustrated children's classic about friendship and self acceptance from a Caldecott Medal winning illustrator and the author of Petunia perfect for reading aloud with kids ages 2-5. When a self-conscious donkey meets a new friend who likes him just the way he is he realizes that accepting himself long ears and all is the most important lesson. Donkey donkey has a problem. Despite his many friends and his good master he is sad because his ears are so long and ridiculous. If only Donkey donkey could have short sensible ears like his friend Pat the horse he would be content. So he seeks the advice of his fellow farm animals who suggest he wear his ears differently more like theirs floppy like the dog's to the side like the sheep's to the front like the pig's. But each unnatural arrangement leads to increasing insult and injury. Finally a little girl passing by remarks on the beauty of the pretty little donkey's ears. At last Donkey donkey is happy. A classic tale of vanity and folly and learning to accept oneself protrudent ears redundant name and all.
