has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others. But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool. Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram? Enneagram Theology: Is It Christian? provides a biblical critique of the Enneagram's underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church.
