David Feherty's Totally Subjective History of the Ryder Cup David Feherty, 2004 [Totally Subjective History of the Ryder Cup](#) David Feherty, James A. Frank, 2004 [Behind the Ryder Cup](#) Peter Burns, 2016-07-14 Enter the locker room this is a history of the Ryder Cup like you have never experienced it before From the origin matches that preceded the first official trans Atlantic encounter between Britain and America at Worcester Country Club in 1927 all the way through to the fortieth installment at Gleneagles in 2014 this is the complete history of the Ryder Cup told by the men who have been there and done it With exhaustive research and exclusive new material garnered from interviews with players and captains from across the decades Behind the Ryder Cup unveils the compelling truth of what it means to play in golf's biggest match play event where greats of the game have crumbled under pressure while others have carved their names into sporting legend

The Cup They Couldn't Lose Shane Ryan, 2022-05-10 The definitive story of the Ryder Cup the event that pits the best golfers from America against the best from Europe exploring the modern history of the tournament that led to the showdown at Whistling Straits in 2021 The task facing Steve Stricker at the 2021 Ryder Cup was enormous It was his job as the American captain to stare down almost 40 years of Ryder Cup history break a pattern of home losses that had persisted almost as long and reverse the tide of European dominance in one of golf's most tense and emotional events This was the epitome of a must win but it was also something more in the entire 93 year history of the event no American side had ever faced this kind of pressure Starting on the morning of September 24 those 12 players competed not just for a Cup or for pride but to save the reputation of the U S team itself The great mystery of the Ryder Cup is that America loses despite having superior individual talent The European renaissance began in the 1980s led by the brilliant Tony Jacklin and Seve Ballesteros and since then the U S has suffered a slew of embarrassing defeats abroad and at home The signs in 2021 weren't good Tiger Woods was out after his horrific car crash Patrick Reed Captain America to his supporters was hospitalized with double pneumonia weeks before the event and America had to rely on its rising stars including Bryson DeChambeau and Brooks Koepka who spent most of the year immersed in an escalating feud to prove their mettle Meanwhile the European team had a few major stars of its own like Jon Rahm the world no 1 and the first Spanish player ever to win the U S Open and Rory McIlroy the four time major winner Throw in the complications of a global pandemic and the stage was set for one of the strangest Ryder Cups ever Following the drama in Wisconsin while deconstructing the rich history of the tournament The Cup They Couldn't Lose tells the story of how the U S defeated Europe in record fashion restored their status as golf's global superpower and transformed their entire way of thinking in order to truly understand the nature of the Ryder Cup The Sports Librarian's Best of 2022 Sports Books **Historical Dictionary of Golf** Bill Mallon, Randon Jerris, 2011-01-21 Golf has been called the greatest of all games but it has also been derided by none other than Mark Twain as nothing more than a good walk spoiled Traditional teaching holds that golf originated in Scotland around the 15th century However there is historical

evidence of games similar to golf being played in the low countries of Europe back in the 13th century Over the many centuries of golf s evolution the balls used have changed greatly as have the clubs the holes the courses and the entire game itself The Historical Dictionary of Golf presents a comprehensive history of the game through a chronology an introductory essay a bibliography photos and over 300 cross referenced dictionary entries on places teams terminology and people including Arnold Palmer Greg Norman Lee Trevino Jack Nicklaus Annika Sorenstam Lorena Ochoa Phil Mickelson and of course Tiger Woods Appendixes of the members of the World Golf Hall of Fame the Major Championships of Golf the International Team Events and the Professional Tour Awards are also included

The War by the Shore Curt Sampson,2012-09-06 The true story of the dramatic 1991 Ryder Cup at Kiawah Island which changed the competition in golf forever The 1991 Ryder Cup began in 1985 Up to then the biennial match between all star teams of golf professionals from America and Europe was more ceremonial exhibition than real competition with the Americans consistently beating the Europeans That all changed in 1985 when the Europeans wrested it away at the Belfry in Sutton Coldfield England The Europeans would go on to win again in 1987 and in 1989 the competition ended in a draw By the time the 1991 Ryder Cup arrived the American team had vengeance on their minds The 1991 Ryder Cup also occurred between the United States s victories in both the Persian Gulf War and the Cold War that year and the sense of patriotism that came along with the end of those conflicts permeated the national psyche The competition was broadcast to over 200 million people in twenty three countries across the globe Fans forgot golf s gentlemanly code of conduct and loud boos jeers and cheers of USA could be heard from the gallery The Ryder Cup began to resemble the Super Bowl and it quickly became evident that this match was about more than just golf In The
