Art Deco Chicago Robert Bruegmann, 2018-10-02 An expansive take on American Art Deco that explores Chicago's pivotal role in developing the architecture graphic design and product design that came to define middle class style in the twentieth century Frank Lloyd Wright's lost Midway Gardens the iconic Sunbeam Mixmaster and Marshall Field's famed window displays despite the differences in scale and medium each belongs to the broad current of an Art Deco style that developed in Chicago in the first half of the twentieth century This ambitious overview of the city's architectural product industrial and graphic design between 1910 and 1950 offers a fresh perspective on a style that would come to represent the dominant mode of modernism for the American middle class Lavishly illustrated with 325 images the book narrates Art Deco's evolution in 101 key works carefully curated and chronologically organized to tell the story of not just a style but a set of sensibilities Critical essays from leading figures in the field discuss the ways in which Art Deco created an entire visual universe that extended to architecture advertising household objects clothing and even food design Through this comprehensive approach to one of the 20th century's most pervasive modes of expression in America Art Deco Chicago provides an essential overview of both this influential style and the metropolis that came to embody it

Modern in the Middle Susan Benjamin, Michelangelo Sabatino, 2020-09-01 The first survey of the classic twentieth century houses that defined American Midwestern modernism Famed as the birthplace of that icon of twentieth century architecture the skyscraper Chicago also cultivated a more humble but no less consequential form of modernism the private residence *Modern in the Middle Chicago Houses 1929-75* explores the substantial yet overlooked role that Chicago and its suburbs played in the development of the modern single family house in the twentieth century In a city often associated with the outsize reputations of Frank Lloyd Wright and Ludwig Mies van der Rohe the examples discussed in this generously illustrated book expand and enrich the story of the region's built environment Authors Susan Benjamin and Michelangelo Sabatino survey dozens of influential houses by architects whose contributions are ripe for reappraisal such as Paul Schweikher Harry Weese Keck Keck and William Pereira From the bold early example of the Battledock House by Henry Dubin 1930 to John Vinci and Lawrence Kenny's gem the Freeark House 1975 the generation spanning residences discussed here reveal how these architects contended with climate and natural setting while negotiating the dominant influences of Wright and Mies They also reveal how residential clients typically middle class professionals progressive in their thinking helped to trailblaze modern architecture in America Though reflecting different approaches to site space structure and

materials the examples in *Modern in the Middle* reveal an abundance of astonishing houses that have never been collected into one study until now New Solutions for House Museums Donna Ann Harris, 2020-11-17 This substantially enlarged and expanded second edition of *New Solutions for House Museums Ensuring the Long Term Preservation of America's Historic Houses* provides advice for historic site stewards that have concerns about the financial sustainability of their historic house museum and its relevance to its local audience Seven new case studies have been added for the second edition The new case studies reinforce the book's central argument that not every historic house museum whether founded 100 years ago or last month can be sustained long term Three of the new case studies are from diverse historic sites showcasing how African American women and other minority focused historic sites are pioneering new ways to commemorate their histories and interpret fascinating stories to visitors with the end goal of creating financially sustainable historic sites that are relevant to their audience New interviews have been conducted with the ten existing case studies from the first edition to bring them up to date The new edition adds two new reuse options to the eight introduced in the first edition This chapter describes how to identify and implement a reuse decision costs and advisors needed and tips on decision making There is a new chapter long interview with Tom Mayes Chief Legal Officer and General Counsel for the National Trust for Historic Preservation on recent legal and ethical issues facing historic sites Another new chapter provides advice on the essential role of the historic site's Board of Directors as the decision maker for any reuse exploration The second edition of *New Solutions for House Museums* contains a new introduction to the second edition an updated conclusion bibliography and index

Sister Parish Design: On Decorating Susan Bartlett Crater, Libby Cameron, 2009-10-27 Comfort is the essential element of a successful interior and the hallmark of the Parish Hadley style In *Sister Parish Design* Libby Cameron Sister's last protégé and Susan B Crater Sister's granddaughter explore this aspect and much more in a series of conversations with the leading decorators of today Sister Parish is the iconic American decorator of her generation Her use of flowered chintzes and overstuffed armchairs combined with unexpected items like patchwork quilts and painted furniture is credited with popularizing what is known as American Country style during the 1960s Her passion for bold color and mixed patterns invoked charm imagination and a lived-in look to her rooms Her philosophy was to be unafraid and to put things together because you liked them not because they matched Filled with beautifully rendered watercolor illustrations *Sister Parish Design* is more than just a stunning book it is an inspirational resource that all decorating aficionados will want to add to their bookshelf A Dark, a Light, a Bright Alexa Griffith Winton, Susan Brown, 2023-01-01 The first major publication devoted to weaver and designer Dorothy Liebes reinstating her as one of the most influential American designers of the twentieth century At the time of her death Dorothy Liebes 1897-1972 was called the greatest modern weaver and the mother of the twentieth century palette As a weaver she developed a distinctive combination of unusual materials lavish textures and brilliant colors that came to be known as the Liebes Look Yet despite her prolific career and recognition during her lifetime

Liebes is today considerably less well known than the men with whom she often collaborated including Frank Lloyd Wright Henry Dreyfuss and Edward Durrell Stone Her legacy also suffered due to the inability of the black and white photography of the period to represent her richly colored and textured works Extensively researched and illustrated with full color accurate reproductions this important publication examines Liebes s widespread impact on twentieth century design Essays explore major milestones of her career including her close collaborations with major interior designers and architects to create custom textiles the innovative and experimental design studio where she explored new and unusual materials her use of fabrics to enhance interior lighting and her collaborations with fashion designers including Clare Potter and Bonnie Cashin Ultimately this book reinstates Liebes at the pinnacle of modern textile design alongside such recognized figures as Anni Albers and Florence Knoll Published in association with Cooper Hewitt Smithsonian Design Museum Exhibition Schedule Cooper Hewitt Smithsonian Design Museum July 7 2023 February 4 2024

Chicago Architecture and Design (3rd edition) Jay Pridmore, George A. Larson, 2018-09-18 The birthplace of the skyscraper Chicago is famous for an architectural tradition that has influenced building around the globe It is the cradle of modern architecture It gave rise to the urban office building and to the flowing open floor plans of today s homes Chicago Architecture and Design chronicles the city s architecture from the 19th through the early 21st century from the structural simplicity of Chicago School commercial building to the low slung Prairie School house from the streamlined Art Deco skyscraper to the minimalist Miesian tower of glass and steel and all the way through to the strikingly original diverse designs of the present day s second modern period It examines the evolution of modern architecture in the context of broader historical social technological and artistic currents and explores innovations that pushed buildings ever higher This third edition adds 10 new buildings from the last decade including Renzo Piano s Modern Wing of the Art Institute John Ronan s Poetry Foundation and Helmut Jahn s Mansueto Library at the University of Chicago

Gardens of the Arts and Crafts Movement Judith B. Tankard, 2018-11-27 The ever alluring Arts and Crafts garden is profoundly relevant to our 21st century needs Sam Watters author of *Gardens for a Beautiful America* In *Gardens of the Arts and Crafts Movement* landscape scholar Judith B Tankard surveys the inspirations characteristics and development of garden design during this iconic movement Tankard presents a selection of houses and gardens of the era from Great Britain and North America With almost 300 illustrations and photographs and an emphasis on the diversity of designers who helped forge the movement *Gardens of the Arts and Crafts Movement* is an essential resource for this truly distinct approach to garden design

To Inspire and Instruct Christina Nielsen, 2021-02-03 This collection of essays which derive from a symposium held at the Art Institute of Chicago in 2005 tells the story of how medieval art was collected by both individuals and institutions in the American Midwest This book will appeal to both medievalists and scholars of nineteenth and twentieth century American history In addition it will also appeal to scholars who are interested in museum studies and the history of collecting The essays in the first section *Collecting and Displaying Medieval Art* consider

the formation of medieval art collections at influential cultural institutions in three of the most important centers of industry and culture in the Midwest Chicago Detroit and Cleveland The second section Medieval Art as Inspiration and Education examines the motives of both private donors and museum professionals in forming collections and establishing period rooms and cloistered spaces at museums in Toledo Kansas City and St Louis among others At the opposite end of the spectrum was a new trend in curatorial practice beginning in the 1930s that favored the dismantling of period rooms and espoused displaying historical works of art in more distinctly modern settings a theme that pervades section three Medieval Art and Modernism An essay on medieval art in Midwestern university art museums and another one that considers the impact of works from medieval collections in special exhibitions serve as a remarkable coda to the rest of the volume Two appendices follow this one that provides an overview of medieval art collections in Midwestern university museums and another which provides a biographical sketch of prominent dealers of medieval art from 1900 1950
