Chronicles Of The End Times Beginning Of Sorrows:

Chronicles of the End Times Russell Scalzo, Steve Mamchak, 2004-08 BEGINNING OF SORROWS involves the human heart's earnest search for heaven in the midst of Hell come to Earth With an urgency drawn from today's headlines this story of betrayal intrigue and world turmoil may well be the sum and substance of what you see on this evening's TV news This quick moving tale of suspense and power on a cosmic scale is intricately detailed and researched providing the reader with insights into international politics Biblical prophecy the darkness of the human heart and the challenge of faith in the face of disillusionment and pain This book will challenge the reader's belief system and insure that the reader will never look at the Mid East situation in quite the same light ever again *The Time of the End: The 10 Year Tribulation Period and The Conditional Rapture of Tribulation Saints* Matthew S Crane, 2017-11-01 One of the most popular and hotly debated topics in recent years has been the subject of what is commonly called The Tribulation Period Theories speculations and predictions abound as to when this apocalyptic time begins and who will be a part of it Some Bible teachers insist that Christians who have been born again during the Church Age will have no part whatsoever in this time while others teach that it is the Church's prophesied destiny to endure to the end and wait for the cataclysmic 2nd coming of the Lord Jesus Christ Which one is right Which one is wrong The one thing that all current theories seem to have in common is an abundance of inconsistencies and missing pieces This book seeks to explain many of the obscure passages in Scripture that seem to have been misunderstood and misapplied for the last two thousand years and bring to light a couple of important truths that have been right in front of us all along which when properly understood bring consistency to the puzzle of prophecy and causes many of the hitherto difficult pieces to fit **Are We Living in the End Times?** Tim LaHaye, Jerry B. Jenkins, 2011-04-01 In the updated and expanded edition of this classic title noted scholar Dr Tim LaHaye gives reasons for believing that the Rapture and the Tribulation could occur during our generation Ours is the first generation that has the technology and opportunity to fulfill many of the prophecies of Revelation Understanding prophecy can be difficult and confusing This book takes away all of the mystery and the intimidation It is user friendly for the layperson yet remarkably complete for the scholar *When the World Stops* Michael L. Brown, 2020-04-21 WHAT NOW When the World Stops is a timely yet timeless message for God's people that provides practical tools for not only weathering this current crisis but emerging from it with a strengthened faith and deeper appreciation for the things that matter most Like a reassuring hand on your shoulder Dr Michael L Brown helps point the way forward for those seeking answers to questions like Is this pandemic the final plague talked about in the Book of Revelation Are we indeed in the final days before Jesus return Who or what sent the virus How do I balance my family's needs with the faith to live for Christ in crisis Should we submit to the government's guidelines How can I steward my health in a biblical way Dr Brown brings biblically sound and clear answers for staying healthy living with wisdom and maintaining your faith As we move forward with wisdom in the power of the Holy Spirit we must understand that

the darkness is the divine setup for the light The sickness is the divine setup for the healing The current crisis is the divine setup for the church to arise and shine and make a difference We must seize this moment before it passes We must milk it to the full for the glory of God Does your heart bear witness to my words This book will help you see how you can be the hands and feet of Jesus during this world's dark hour It provides a God-calibrated compass for the turbulent uncharted waters we find ourselves in and sifts through the dizzying array of information regarding this current crisis separating fact from fiction prudence from pandemonium and faith from fear

A Time of Travail Steven Marcus, 2002

Is God Still Coming? Shion Oconnor, 2022-07-19 There are worldwide concerns that the planet is on the brink of extinction but just how close are we to the end Is there a prophetic significance of Brexit for example What about climate change Since the earth was created thousands of years ago why was there no concern of a global extinction before now What is it about now that worries climatologists and meteorologists and for that matter epidemiologists and virologists Is there a prophetic significance in the timing of the Covid19 pandemic or the rise in global social unrests like BLM Did the Bible

prophets foresee the rise of Silicon Valley the explosion of Artificial Intelligence or the break neck speed in information technology If so what is their prophetic utility in decoding the timetable for the end How does the combination of science and eschatology help us to appreciate our proximity to the brink This shocking revelation answers the question Is God Still Coming **The Evangelical Magazine and Missionary Chronicle** ,1856 *The Gospel Chronicle: Narrative* G.L. Kirschke,2019-04-06 The Gospel Chronicle is one work in three volumes It is a chronological study of the four narrative gospels combining Matthew Mark Luke and John into a single narrative in three stages using their preexisting sequential content The Narrative is the culmination of this work It takes the edited gospel content of the Redaction and sets it in a typical novelization of the four gospels It presents the entire ministry of Jesus Christ into an easily read story
