The Emerging Church Revised & Expanded Bruce Sanguin, 2014-08 In this newly revised and expanded edition of *The Emerging Church* Bruce Sanguin continues his exploration of the characteristics of emerging evolutionary driven congregations and provides updated guidelines and advice to those seeking to effect evolutionary change in their own contexts

Power in Practice Ryan Morgan, 2025-07-14 What happens when a key theological concept is almost entirely missing from a statement of faith In this groundbreaking study candid interviews with current and former clergy reveal how the absence of theological anthropology the technical term for thinking Christianly about human beings has resulted in the systemic power abuse of clergy within the Pentecostal Assemblies of Canada PAOC Key issues such as exploitive employment arrangements spiritualization of mistreatment sexism bullying and even whistleblower retaliation punctuate the research and shine a light on a critical problem underlying Canada's largest Pentecostal movement Featuring rich and varied interviews alongside thoughtful analysis the strength of this study is in its ability to go beyond merely diagnosing problems drawing on Cameron et al's *Four Voices of Theology* *Power in Practice* proposes a bold and intentional series of recommendations for the PAOC and other evangelical movements wrestling with their conviction that a Christian ethic of power must be practiced in order to be faithful Complete with practical steps for restoring accountability responding to narcissism and renewing theology *Power in Practice* ultimately reminds the reader that power when transformed by Christ is expressed as an ethic of love

Past and Prospect Stan Ingersol, 2014-05-20 Today the Church of the Nazarene faces issues that arise directly out of its past For that reason *Past and Prospect* argues that Nazarenes will be better equipped to face their future as a church armed by an understanding of their own history Church historian Stan Ingersol examines issues that have characterized the Nazarene way of life during that denomination's first century showing how the trajectory shaped by the church's founders has been altered through time by the shifting tides of Fundamentalism mainstream Evangelicalism global expansion and the culture of affluence He contends that current disagreements over polity holiness and worship are largely echoes and projections of tensions that have been present in the denomination since its very beginning As the reader will discover the common denominator running through these chapters is the prospect of rediscovering a relevant and useful past

Everybody Welcome: The Course Leader's Manual Bob Jackson, 2014-08-19 *Everybody Welcome* is the complete course to transform your church by improving your approach to newcomers Believing that welcoming is a ministry for every member of the church it offers guidance for your entire congregation and will help every individual play their part

The X-Manual Peter J. Bellini, 2022-04-07 The title of the book *The X Manual* is taken from the word *exousia* from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority *exousia* to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10:19 NIV Jesus gives believers authority to cast out

demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church s New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free Starting a Nonprofit at Your Church Joy

Skjegstad,2002-06-01 A large and growing number of congregations are setting up church based nonprofit organizations in order to operate community development or educational programs Once formed the nonprofit structure allows for new opportunities for accessing additional funding and drawing new collaborative partners and volunteers into the ministry Joy Skjegstad outlines the step by step procedures for setting up a 501 c 3 nonprofit organization connected to a congregation using simple easy to understand terminology and plenty of examples from churches that have already taken on this task Whether a congregation is setting up new program or has an established nonprofit that needs to be restructured or redefined congregations will find helpful guidance in this practical experience based book *Christian Science Sentinel* ,1913
