Humphrey, 1887 **The Deacon's Handbook** Leonard Gillams, 2023-08-21 The Deacon's Handbook is more than just a resource for those serving as deacons and those who aspire to be one The fact is that you don't have to be a deacon to apply principles that God would smile upon The wisdom in this handbook transcends sex age and educational background In other words it may be geared for deacons but it can benefit anyone Leonard Gillams a longtime ordained deacon observes that while no one is perfect how we behave informs ourselves others and God Himself on how we are measuring up to His Holy standards He considers questions such as How did the deacon's ministry develop How can a deacon effectively interact with a congregation How can a deacon build a strong spiritual foundation from which to serve the church The author emphasizes that just as God holds deacons responsible for the churches they serve He also expects them to take care of their families Get guidance to succeed at church and at home with wisdom steeped in Scripture and firsthand experience **A Manual of the Reformed Church in America (formerly Ref.
