Moore, 2012-01-03 The wise sayers say you are what you think If that's so then the body is merely the transporter for the mind The body does not last but the mind can And that possibility could explain why so many of the ancient sayings apply to the today's world and possibly eternity Take Aesop He lived 620 560 BC He said No act of kindness no matter how small is ever wasted This is still a wise saying some 2600 years later Back then the memory system was mental Today we have computers and a digital memory system But our present society is built on a procession of thinking from many years past The

situation is succinctly expressed by William Feather 1889 1981 who said The wisdom of the wise and the experience of the ages are preserved into perpetuity by a nation s proverbs fables folk sayings and quotations Looking to the future we appear to be poised for some great things Preparing for the future Walt Disney 1901 1966 said Crowded classrooms and half day sessions are a tragic waste of our greatest national resource the minds of our children and Nicholas Zaharis 1921 said Education is expensive but ignorance is more expensive The intention of this manuscript is to educate inspire and amuse It is based on a thousand quotations by 400 astute individuals Their occupations and claim to fame are discussed briefly Many had multiple occupations Most were philosophers authors and writers The author visualizes the contents as a source of ideas for advertising programs for casual conversations and for meditative reading and thinking It is sort of a table top book that can be opened and read at random

Across America James Fowler Rusling, 1875

Your God is Too Somber Christopher Dreisbach, 2019-01-16 Your God is too somber if your posture before him lacks a spirit of joy and a commitment to rejoice as much as possible While life has its sadness and tragedy the good news of Jesus Christ is that God s kingdom has won and the suffering we face for a time is shorter compared with the endless delight that God promises So Rejoice in the Lord always again I will say Rejoice Phil 4 4 Your God is too somber if you embrace a theology of tears rather than a theology of laughter Of course salvation and Christ s sacrifice are serious business and we should engage in moments of penitential reflection confession and atonement But all of

this so we can shake off the shackles of our shortcomings and celebrate God fully and joyfully Your God is too somber if you fail to see the humor in the Bible the calls to joy paradox irony burlesque play and wordplay God laughs sometimes with us sometimes at us and Jesus s humor is evident in parables and sayings with the goal of teaching us the truth Is your God too somber This book aims to help you answer that question
