Contemporary Perspectives Ecofeminism Explorations Environmental:

Contemporary Perspectives on Ecofeminism Mary Phillips, Nick Rumens, 2015-11-19 Why is ecofeminism still needed to address the environmental emergencies and challenges of our times Ecofeminism has a chequered history in terms of its popularity and its perceived value in conceptualizing the relationship between gender and nature as well as feeding forms of activism that aim to confront the environmental challenges of the moment This book provides a much needed comprehensive overview of the relevance and value of using eco feminist theories It gives a broad coverage of traditional and emerging eco feminist theories and explores across a range of chapters their various contributions and uniquely spans various strands of ecofeminist thinking The origins of influential eco feminist theories are discussed including key themes and some of its leading figures contributors include Erika Cudworth Greta Gaard Trish Glazebrook and Niamh Moore and outlines its influence on how scholars might come to a more generative understanding of the natural environment The book examines eco feminism s potential contribution for advancing current discussions and research on the relationships between the humans and more than humans that share our world This timely volume makes a distinctive scholarly contribution and is a valuable resources for students and academics in the fields of environmentalism political ecology sustainability and nature resource management

The Oxford Handbook of the Bible and Ecology Hilary Marlow, Mark Harris, 2022 Does the Bible have anything to contribute to contemporary concerns about the environment This collection of essays on the Bible and ecology explores biblical texts and their interpretation in the light of ecological issues The handbook covers a number of political and ethical issues as well as offering detailed exploration of individual Bible books It discusses a number of controversial views including whether the Judeo Christian tradition has contributed to the environmental crisis and how the Bible is used by climate change deniers

Reading with Earth Anne Elvey, 2022-08-25 Winner of the 2023 ANZATS Award for the Best Monograph by an Established Scholar Applying a re envisioned ecological feminist hermeneutics this book builds on two important responses to twentieth and twenty first century situations of ecological trauma especially the complex contexts of climate change and cross species relations first ecological feminism second ecological hermeneutics in the Earth Bible tradition By way of readings of selected biblical texts this book suggests that an ecological feminist aesthetic bringing present situation and biblical text into conversation through engagement with activism and literature principally poetry is helpful in decolonizing ethics Such an approach is both informed by and speaks back to the new materialism in ecological criticism

The Oxford Handbook of Feminist Approaches to the Hebrew Bible Susanne Scholz, 2020-12-31 The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading international scholars examining crucial points of analysis within the field of feminist Hebrew Bible studies Organized into four major areas globalization neoliberalism media and intersectionality the essays collectively provide vibrant relevant and innovative contributions to the field The topics of analysis focus heavily on gender and queer identity with essays touching on African

Korean and European feminist hermeneutics womanist and interreligious readings ecofeminist and animal biblical studies migration biblical studies the role of gender binary voices in evangelical egalitarian approaches and the examination of scripture in light of trans women's voices The volume also includes essays examining the Old Testament as recited in music literature film and video games The Oxford Handbook of Feminist Approaches to the Hebrew Bible charts a culturally hermeneutically and exegetically cutting edge path for the ongoing development of biblical studies grounded in feminist womanist gender and queer perspectives

Contemporary Feminist Theologies Kerrie Handasyde, Cathryn McKinney, Rebekah Pryor, 2021-03-11 This book explores the issues of power authority and love with current concerns in the Christian theological exploration of feminism and feminist theology It addresses its key themes in three parts 1 power deals with feminist critiques 2 authority unpacks feminist methodologies and 3 love explores feminist ethics Covering issues such as embodiment intersectionality liberation theologies historiography queer approaches to hermeneutics philosophy and more it provides a multi layered and nuanced appreciation of this important area of theological thought and practice This volume will be vital reading for scholars of feminist theology queer theology process theology practical theology religion and gender

Exploration: Contemporary Research in Historical Perspective Douglas A. Vakoch, National Aeronautics and Space

Administration, 2012-01-27 Through essays on topics including survival in extreme environments and the multicultural dimensions of exploration readers will gain an understanding of the psychological challenges that have faced the space program since its earliest days An engaging read for those interested in space history and psychology alike this is a highly relevant read as we stand poised on the edge of a new era of spaceflight Each essay also explicitly addresses the history of the psychology of space exploration **Psychology of Space Exploration: Contemporary Research in Historical**

Perspective Douglas A. Vakoch, National Aeronautics and Space Administration, 2011-07-06 This book explores some of the contributions of psychology to yesterday s great space race today s orbiter and International Space Station missions and tomorrow s journeys beyond Earth s orbit It provides an analysis of the challenges facing future space explorers while at the same time presenting new empirical research on topics ranging from simulation studies of commercial spaceflights to the psychological benefits of viewing Earth from space *Fighting for the River* Özge Yaka, 2023-08-15

Fighting for the River portrays women s intimate embodied relationships with river waters and explores how those relationships embolden local communities resistance to private run of the river hydroelectric power plants in Turkey Building on extensive ethnographic research zge Yaka develops a body centered phenomenological approach to women s environmental activism and combines it with a relational ontological perspective In this way the book pushes beyond the natural resources frame to demonstrate how our corporeal connection to nonhuman entities is constitutive of our more than human lifeworld *Fighting for the River* takes the human body as a starting point to explore the connection between lived experience and nonhuman environments treating bodily senses and affects as the media of more than human connectivity and political agency Analyzing local environmental struggles as struggles for coexistence Yaka frames human nonhuman relationality as a matter of socio ecological justice
