Church Board Acceptance Letter:

Annual Report - United Church Board for World Ministries United Church Board for World Ministries, 1829 Vols for 1970 include Calendar of prayer with directory of missionaries formerly called pt 3 **Christianity in China** Xiaoxin Wu, 2015-07-17 Now revised and updated to incorporate numerous new materials this is the major source for researching American Christian activity in China especially that of missions and missionaries It provides a thorough introduction and guide to primary and secondary sources on Christian enterprises and individuals in China that are preserved in hundreds of libraries archives historical societies headquarters of religious orders and other repositories in the United States It includes data from the beginnings of Christianity in China in the early eighth century through 1952 when American missionary activity in China virtually ceased For this new edition the institutional base has shifted from the Princeton Theological Seminary Protestant to the Ricci Institute for Chinese Western Cultural Relations at the University of San Francisco Jesuit reflecting the ecumenical nature of this monumental undertaking *Lewis C. Sheafe* Douglas Morgan, 2010 Born Just as the Civil War Began Lewis Sheafe grew to manhood at a pivotal moment in American history But instead of racial equality the nation offered its freed slaves further oppression and injustice Sheafe strong willed dynamic and seemingly tireless had but two main objectives Uplift his people spiritually and socially and consistently adhere to biblical principle in all aspects of life His thirst for truth led him first to the Baptists where he became both an eloquent minister and a prominent leader of the Black community Then his poor health led him to Battle Creek Sanitarium where he encountered Seventh day Adventism Sheafe saw in the Adventist message the tenets of race relations he already championed and he embraced it wholeheartedly He was sent to lead the Black work in Washington D C in 1902 and his evangelistic campaigns drew standing room only crowds of both Black and White listeners But during his turbulent years of Adventist ministry he and church leaders could not agree on how to apply biblical principles of racial equality The conflict eventually proved fatal to his ties with the denomination In this gripping biography Douglas Morgan pieces together the life of this forgotten leader whose story sheds light on the reason that no lasting separate Black Adventist denomination ever formed Book jacket *Hearings* United States. Congress. House. Committee on the Judiciary, 1964 School Prayers United States. Congress. House. Committee on the Judiciary, 1964 The Closet and the Cul-de-Sac Clayton Howard, 2019-02-18 The right to privacy is a pivotal concept in the culture wars that have galvanized American politics for the past several decades It has become a rallying point for political issues ranging from abortion to gay liberation to sex education Yet this notion of privacy originated not only from legal arguments nor solely from political movements on the left or the right but instead from ambivalent moderates who valued both personal freedom and the preservation of social norms In *The Closet and the Cul de Sac* Clayton Howard chronicles the rise of sexual privacy as a fulcrum of American cultural politics Beginning in the 1940s public officials pursued an agenda that both promoted heterosexuality and made sexual privacy one of the state's key promises to its citizens The

1944 G I Bill for example excluded gay veterans and enfranchised married ones in its dispersal of housing benefits At the same time officials required secluded bedrooms in new suburban homes and created educational campaigns designed to teach children respect for parents privacy In the following decades measures such as these helped to concentrate middle class families in the suburbs and gay men and lesbians in cities In the 1960s and 1970s the gay rights movement invoked privacy to attack repressive antigay laws while social conservatives criticized tolerance for LGBTQ people as an assault on their own privacy Many self identified moderates however used identical rhetoric to distance themselves from both the discriminatory language of the religious right and the perceived excesses of the gay freedom struggle Using the Bay Area as a case study Howard places these moderates at the center of postwar American politics and shows how the region s burgeoning suburbs reacted to increasing gay activism in San Francisco The Closet and the Cul de Sac offers specific examples of the ways in which government policies shaped many Americans attitudes about sexuality and privacy and the ways in which citizens mobilized to reshape them
