Church Board Responsibilities

Jerry W. Storz

Church Board Responsibilities:

The Effective Church Board Michael J. Anthony, 2000-10-11 Are you a recently elected church board member who hasn't received training for your new position? Are you a current board member disillusioned by negative experiences and interpersonal conflicts? Education specialist Michael Anthony asked a cross section of almost a hundred pastors and church officers in addition to staff members and denominational officials to give their input about what is happening in church boards across America. The results of the survey were compiled into a comprehensive handbook that addresses topics such as: Developing a vision statement, Writing job descriptions, Setting long and short range goals, Facing financial storms, Resolving interpersonal conflicts, Reviving a declining church. This unique multi-denominational training resource emphasizes developing a team structure. It can be used for individual instruction, group discussions, and orientation sessions. The case studies clearly identify situations and leadership experiences common to many church boards. Duties in Christian living and service are provided. [Seventh-day Adventist Church Manual](#). General Conference of Seventh-Day Adventists, 2005

Thirty Days to Better Board Members and Meetings Jerry W. Storz, 2022-12-12 Author Jerry W. Storz's experiences with board service and all things board governance goes back to his childhood watching his parents deal with the joys and struggles of service as church board members for a small church. Eventually he made a career out of working with faith-based organizations where he found that some board members knew their roles and responsibilities while others clearly did not understand. As a response to his observations, Storz presents *Thirty Days to Better Board Members and Meetings* intended for use as a devotional and discussion guide. He has studied faith-based board members' behavior and now offers both nuggets of truth from scripture and board governance tips that he has gathered over these last few years. What's more, he aims to bring the two together, allowing board members to learn and apply board principles and best practices so that they begin to see the true purpose of their board member service. Uplifting and practical, this devotional serves as a guide to board members of faith-based organizations to help them improve their leadership and service.

Presbyterian Polity for Church Officers Joan S. Gray, Joyce C. Tucker, 1998-10-01 Now in a newly revised edition, this detailed comprehensive interpretation of the Book of Order is the most complete resource of its kind since the church's reunion. It explains the system of Presbyterian government from sessions to presbyteries to synods to the General Assembly itself.

The Art of Kubernesis (1 Corinthians 12:28) Larry J. Perkins, 2019-03-04 Those who chair church boards deserve our prayers and respect. Often with little preparation or experience, they step up to lead the primary spiritual leadership team within a local congregation. When they need help, they have to search long and hard to find resources that respond to their specific questions and concerns. *The Art of Kubernesis* 1 Corinthians 12:28 Leading as the Church Board Chairperson fills this gap.
