How the Church Grew Donald C. Fleming, 1969 **And the Church Grew** John Martin, 2015-11-28 The Book of the Acts is an amazing story of the explosive growth of the early church One can hardly imagine the growth of this church in the face of sporadic and at times severe persecution They met without fancy buildings the pastors seldom had much theological training and they had no Boards Mission Agencies or organized Church government yet the church grew in an amazing way with the power of love and the words of truth When I was in seminary years ago there

was much discussion about going back to the first church The Book of the Acts shows us much of what that early church was like This is a series of sermons I preached from January 2014 through June of 2015 I hope you glean some inspiration and some truth from within David Martin Essentials of Evangelism Tom Malone,2000-08 **Evaluating the Church Growth Movement** Zondervan,2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion Planting Growing Churches for the 21st Century Aubrey Malphurs,2004-10-01 If the church is to thrive in the twenty first century it will have to take on a new form as it ministers to the 120 million unchurched people in the United States Planting Growing Churches for the 21st Century is still virtually the only available text on church planting in North America and beyond In this third edition readers will find material on the importance of healthy biblical change in our churches updated appendixes insight on our postmodern ministry context and strategies for reaching new population demographics such as Generations X and Y Pastors ministry leaders and church planters will find the information and advice found in this book invaluable as they carry out their ministries The Spiritual DNA of a Church on Mission Bob Burton,2020-01-15 In Spiritual DNA of the Church On Mission author Bob Burton compares the missional foundation of the early church to human DNA Viral Churches Ed Stetzer,Warren Bird,2010-03-10 This groundbreaking guide reveals successful strategies for multiplying the impact of new church congregations Based on a national cross denominational study commissioned by Leadership Network Viral Churches explores the best practices in church multiplication movements as well as the common threads among them A hands on resource Viral Churches offers the fresh vision and critical perspectives essential as a catalyst for today s church planting leaders Authors Ed Stetzer and Warren Bird draw from their own experiences as well as the insights of numerous church planting leaders Filled with illustrative success stories this important book reveals how to plant churches that multiply into a movement Each chapter highlights a different point on such issues as keeping the focus on evangelism recruiting assessing and deploying planters increasing the survivability of new churches

using a multisite strategy effectively funding overcoming obstacles facing challenges ahead and many more **A-C-T-S**
Wendy Bowen,2015-03-15 In the Book of Acts in the Bible the epic and supernatural experiences of God s love power and guidance are powerful and tangible This ACTS study of the Book of Acts is designed to equip and empower followers of Jesus today to become like the first disciples and to do the things that they did in that world changing book ACTS begins with a review of the Gospel and the resurrection of Jesus as His first followers would have understood them and then moves through the historical accounts of the Book of Acts Topic by topic it reveals the dynamics of the life of the early church on and after the day of Pentecost when the Holy Spirit was poured out with power from Heaven This study is written to the common believer in language that is easy to understand and apply to life today so that every follower of Jesus can enter into deep fellowship with the Holy Spirit and other believers endure victoriously through the trials of life and opposition to the faith and know our power and authority to work miracles signs and wonders in the name of Jesus If your heart burns to experience the Book of Acts then ACTS is the study for you and your church Bible Study in Blended Ministry Churches Robert Dawson,2001-08-31
