Church History Kevin L. Hughes, 2001-07 Delve into the exciting narrative that is the story of the Church's own history. This well researched educational and invaluable reference is sure to inform members of the clergy, DREs, teachers and history buffs. Church history is the story of faith handed on of how fallible human people given by God to be members of the Body of Christ in the Church have struggled to live out the Gospel in the very concrete circumstances of their lives for nearly two thousand years. If we stand within the Church if we are the Church then it is our story. And when we learn the story of our struggles, triumphs and failures we come to know more about who and what we are as a community of faith. From the introduction, Catholic Basics A Pastoral Ministry Series offers an in-depth yet accessible understanding of the fundamentals of the Catholic faith for adults both those preparing for lay ministry and those interested in the topics for their own personal growth. The series helps readers explore the Catholic tradition and apply what they have learned to their lives and ministry situations. Each title offers a reliable introduction to a specific topic and provides a foundational understanding of the concepts. Each book in the series presents a Catholic understanding of its topic as found in Scripture and the teachings of the Church. Each of the authors has paid special attention to the documents of the Second Vatican Council and the Catechism of the Catholic Church so that further learning can be guided by these core resources. Chapters conclude with study questions that may be used for small group review or for individual reflection. Additionally suggestions for further reading offer dependable guides for extra study. The initiative of the National Conference of Catechetical Leadership led to the development of an earlier version of this series. The indispensable contribution of the series editor Dr Thomas Walters helped ensure that the concepts and ideas presented here are easily accessible to a wide audience.

A History of the Diocese of Charleston Pamela Smith, 2020-06-01 In 1820 the Catholic Diocese of Charleston was established and Bishop John England arrived from Ireland. His new diocese encompassed North and South Carolina, Georgia and for a time Haiti. From 1859 to 1885 when Patrick Lynch and Henry Northrop were bishops of Charleston the diocese

included the Bahama Islands However the history of Catholics in the diocese which now covers all of South Carolina began much earlier The arrival of Spanish settlers and missionary priests dated back more than 150 years before there was a diocese on American soil Sister Pam Smith charts the history of the diocese from the first words of prayer uttered on Santa Elena in the sixteenth century through the interfaith singing of a reformed slaveholder s hymn at a painful funeral in the twenty first century
