Church Usher Hand Signal Manual:

Church Usher's Manual Clyde Jackson, 2024-07-24 Church Usher's Manual A Systematic Approach to Church Ushering has prayerfully been written for the specific purpose of giving a clear insight into how to effectively serve as a church usher. Please be advised that nothing in this book takes the place of any instructions your pastor might have given you related to ushering in your church. As you study this book you will learn that at no time should a parishioner walk the aisle looking for seats. Assign them immediately. Ushers should be alert at all times. This book if necessary can be used in conjunction with any other church ushering materials.
