Church World And The Christian Life Church World And The Christian Life:

Life in Christ: Essays on the Christian Life, Church History, and Theology William Hemsworth, 2017-09-22 This book is different than other Christian books on the market This book is composed of essays on different topics within Christianity This book discusses how to be a better disciple a better defender of the faith biblical authorship theology and church history Within its pages you will find an overview of topics to strengthen your faith **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,2003 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1987 The World's Christians Douglas Jacobsen, 2021-04-21 This accessible textbook describes Christianity the world s largest religion in all of its historical and contemporary diversity No other publication includes so much information or presents it so clearly and winsomely This volume employs a religious studies approach that is neutral in tone yet accommodates the lived experiences of Christians in different traditions and from all regions of the globe The World s Christians is a perfect textbook for either public university classrooms or liberal arts campuses Divided into three parts the text first describes the world s four largest Christian traditions Eastern Orthodox Roman Catholic Protestant and Pentecostal which together account for roughly 98 percent of all Christians worldwide A second section focuses on Christian history explaining the movement s developing ideas and practices and examining Christianity s engagement with people and cultures around the world The third and longest portion of the text details the distinctive experiences contemporary challenges and demographics of Christians in nine geographic regions including the Middle East Sub Saharan Africa Latin America Eastern and Western Europe South Asia North America East Asia and Oceania The second edition of this popular text has been thoroughly rewritten to take recent developments into account and each chapter now includes two primary source readings highlighting the diversity of voices that exist within the world Christian movement Like the first edition the revised text is enhanced with easily understandable maps charts tables and illustrative photographs In summary this new and improved second edition of The World s Christians is written in a clear style that readers will find engaging enriched by the addition of thought provoking primary source readings thoroughly revised to bring the story of Christianity up to the 2020s more geographically comprehensive than any competing text more theologically ecclesiastically comprehensive than any competing text amply illustrated with maps charts tables and photographs perfect for use in the classroom or for general readers who want to understand the full diversity of Christianity as it currently exists around the world *Religions of the World* J. Gordon Melton, Martin Baumann, 2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world s smaller religious outposts *Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices* is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia s six volumes offer entries on every country of the world with particular

emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world s smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world s most remote places Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions

Bonhoeffer on the Christian Life Stephen J. Nichols,2013 An accessible tour of the life and work of Germany s famous theologian Dietrich Bonhoeffer This book explores the nature of fellowship the costliness of grace and the necessity of obedience *Expository Preaching in a World of Spiritual Nominalism* R. T. Johnson Raih,2021-10-06 The spiritual decay of nominalism threatens the established church worldwide While spiritual lethargy is often addressed from the perspective of theology and discipleship little attention has been given to the role of homiletics in revitalizing a congregation s spiritual health In this study Dr Johnson Raih explores the impact of preaching on members of Baptist churches in Imphal Manipur India from 2000 to 2015 He utilizes interviews and questionnaires from pastors church leaders and lay members to assess the presence of nominalism within church congregations along with the effects of various preaching methods on increasing or decreasing spiritual vitality Combining this qualitative research with scriptural and theological insight Raih suggests that expository preaching has the power to confront and even eradicate nominalism within the church He draws on biblical examples along with the methodology of John Stott and Timothy Keller to offer ten practical recommendations for countering nominalism homiletically whether in Imphal India or around the world The Orthodox Christian World Augustine Casiday,2012 A compelling overview of the Orthodox world covering the main regional traditions of Orthodox Christianity and the ways in which they have become global Engaging the World with Abraham Kuyper Michael R. Wagenman,2019-08-21 Christ declares Mine over every square inch of creation In his well known quote Abraham Kuyper expressed the defining characteristic of his public theology Jesus sovereignty extends over all things He believed Christians should engage the whole world in all of its various spheres But what does that comprehensive calling practically look like for us today In Engaging the World with Abraham Kuyper Michael Wagenman explores the practical application of Kuyper s public theology Using Kuyper s own life as an example he shows us how the gospel can permeate all aspects of society our identity public discourse education the church politics Ultimately this means engaging the world with perceptive truth that s mindful of the dynamics at work in our time and place Church, World, and Kingdom William C. Mills,2012 In this study Mills reveals the ways in which for Schmemann the liturgy and the sacraments provide the essential sources for pastoral care
