Church Adjutant Training Manual:

Armorbearer/Adjutant Training Manual Dr Shaolin Mb Abrams Sr,2015-10-01 This teaching is dedicated to examining some of the practical applications that an Arombearer Adjutant of Christ or one who has the calling of Arombearing should clearly understand because these practices will make things run smoothly while Guarding The Anointing on that pastor And serving as leaders it will help bring discipline to the ministry and to the leadership inside the House of GOD as well as when you travel outside of the domains of your local church setting Now whether your Pastor is a local church leader only or they have a traveling ministry these practices should be in place In biblical days an Arombearer was one who actually carried the shield and armor of the king as he went into battle often acting as his personal assistant For example King Saul had several Arombearers assigned to him so today in the Body of Christ we continue to need our spiritual armor and those who are anointed to Guard it in the spiritual realm The Ephesians writer commands us to put on the full armor of GOD so that we can take our stand against the devil s attacks spiritual or physical Just as much as our early century counterparts we who have been anointed in the ministry of an Arombearer of Christ are to suit up in the Armor of GOD and Guard the Anointing of GOD S Messenger in the battle of faith The term Arombearer was originally translated from the Hebrew word nasa meaning to figuratively or literally lift up support or simply help On occasion theologians translate the word help from the Hebrew word nasa and in light of these defining terms we can see an Arombearer is one that helps or supports the vision of that pastor during the times of battle In the Body of Christ an Arombearer of Christ is one anointed by GOD to guard the anointing on that man or woman of GOD by serving and helping them in life ministry and especially in the fight of Faith In essence an Arombearer of Christ is called to make sure they are attended to ministered to cared for helped to be of use to assist to benefit to promote to support to make easy for to nourish and to encourage the pastor Furthermore the attitude and mindset of an Arombearer of Christ is one of servanthood because the mindset of an Arombearer of Christ is to do whatever it takes to serve and support the pastor and operating under the anointing of an Arombearer of Christ can be described as operating in the principles or pervading qualities of servanthood commitment attentiveness support help loyalty and faithfulness Arombearing in the attitude of service is not just the performing of humble tasks but is an effort to serve Christ in the Kingdom of GOD JESUS said The servant of all is the greatest of all Among my favorite examples are the great men in Old Testament Scripture many who were faithful arombearers before their public ministry King David and King David s mighty men Elisha and Joshua exemplified the anointing of an Arombearer of Christ in excellence even Elisha s assistant Gehazi offers us an example of what we do not want to do as an Arombearer of Christ One need not think that the LORD GOD only called Arombearers of Christ or helpers to assist in the ancient battles **United States Army Training Manual** United States. Adjutant-General's Office,1922 *United States Army Training Manual* U.S. Adjutant-general's office,1922 *The Adjutant's Manual* Bishop Raymond Johnson,2014-12-31 This book is intended for the sacred garrison of

anointed men and women of God assigned to protect and to serve the leadership of Body of Christ There are many general references that offer explanations and advice on what Adjutants should do and how to be an Adjutant in fact the magnum opus of our craft is found in a book called God's Armorbearer 1 by Elder Terry Nance In historic times knights were military operatives who were appointed to the service of monarchs and other high ranking nobles In our time the Adjutancy serves the highest ranking leadership of the Church Over the course of these pages we have attempted to convey an image of the Adjutancy that reinforces this idea of Christian kighthood GPO Access Training Manual ,1902 *Manual of Military Training* James A. Moss,2020-08-14 Reproduction of the original Manual of Military Training by James A Moss *The Manual of Occupations* Rutherford Hayes Platt,1927 **Reckless Fellows** Edward Bujak,2015-09-25 The Royal Flying Corps later the Royal Air Force was formed in 1912 and went to war in 1914 where it played a vital role in reconnaissance supporting the British Expeditionary Force as air cavalry and also in combat establishing air superiority over the Imperial German Air Force Edward Bujak here combines the history of the air war including details of strategy tactics technical issues and combat with a social and cultural history The RFC was originally dominated by the landed elite in Lloyd George's phrase from the stateliest houses in England and its pilots were regarded as knights of the air Harlaxton Manor in Lincolnshire seat of landed gentry became their major training base Bujak shows how within the circle of the RFC the class divide and unconscious superiority of Edwardian Britain disappeared absorbed by common purpose technical expertise and by an influx of pilots from Canada Australia New Zealand and South Africa He thus provides an original and unusual take on the air war in World War I combining military social and cultural history *The Chaplain Serves* United States.
