Church Boyz II Pleasures Of The Flesh:

Church Boyz II: Pleasures of the Flesh Beast, 2015-11-14 Isaiah's newly discovered need for male companionship sends him down a path that forces him to question his engagement to Tasha. His lust reveals a base nature he'd only felt during his adolescence during times of weakness. Skeletons from Micah's past come to haunt him as he continues to aimlessly wander through life. Being a hardcore rebel is no longer an option when the very thing that broke him down stares him in the face. Micah's love affair literally blows up in his face. He's left exposed but he's not the only one. The sons of Deacon Williams have feasted on the pleasures of the flesh and will soon know the bitter taste of judgment. How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age. Sex and gender taboos were used by tribes to differentiate themselves from one another. These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires. For the early Christians, all sex play was turned into sin, instilled with guilt and punished severely. With the invention of sin came the construction of women as subordinate beings to men. Despite the birth of romance in the late middle ages, Renaissance churches held inquisitions to seek out and destroy sex sinners, all of whom it saw as heretics. The Age of Reason saw the demise of these inquisitions. But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime, degeneracy, and sickness. The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society. However, strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence. Volume I of this two-part publication traces the history of sex from the Stone Age to the Enlightenment. Interspersed with personal hauntings from his own life and the lives of friends and relatives, Knowles reveals how historical discourses of sex continue to haunt us today. This book is a page-turner in simple and plain language about how sex got screwed up for millennia. For Knowles, if we know the history of sex, we can get over it. *the church worker* The Church-Worker VOL.IV-1885, 1885 The Frozen Thames Helen Humphreys, 2012-11-01 In its long history, the river Thames has frozen solid forty times. These are the stories of that frozen river. And so opens this breathtaking and original work of forty vignettes based on events that actually took place each time the river froze between 1142 and 1895. In breathtaking prose, acclaimed novelist Helen Humphreys deftly draws us into these intimate moments and transports us through time. Whether it's Queen Matilda trying to escape her besieged castle in a snowstorm or lovers meeting on the frozen river in the plague years or a simple farmer persuading his oxen that the ice is safe, Humphreys's achingly beautiful prose acts like a photograph capturing a moment and etching it forever on our imaginations. Stunningly designed and illustrated throughout with full-colour period art, *The Frozen Thames* is a genre-bending work from one of our most respected writers. **SPIN**, 1999-08 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys
