Church Administration Handbook Bruce P. Powers, 2008 Together with the newly revised *Christian Education Handbook* this volume provides complete basic church information and administrative guidelines *Inside Evangelicalism* Mark Ward Sr., 2024-12-15 In *Inside Evangelicalism* Mark Ward Sr combines ethnographic autoethnographic and sociolinguistic research to identify and analyze white evangelicals distinctive culture and speech code from a perspective rooted deeply in both communication studies and the evangelical community The Bible emerges as evangelicalism s one dominant symbol that unifies all meaning and divides the world into a cosmic dualism between secular humanism and an all encompassing biblical worldview The associated language of literalism drives evangelical culture cognition and identity creating a system of ordered social relations enacted through patriarchy anti intellectualism authoritarianism and white Christian nationalism Ward s positionality as both an ethnographer of religious communication who has observed white evangelical culture for two decades and a self identified evangelical for four decades makes him uniquely qualified to cast an insider s critical yet balanced eye on conservative white Christian culture *Inside Evangelicalism* complements existing scholarship within anthropology and sociology where evangelicalism has been studied in conjunction with the rise of the Religious Right while contributing unique insights from religious communication studies The book is also a landmark in its own right a work that demonstrates the productive complementarity of ethnographic and autoethnographic research and the first study to describe evangelical culture through the ethnography of its communication *The Church Business Meeting* Richard Dale Merrill, R. Dale Merrill, 1982-12 Meets the need for a clear concise and readable guide to parliamentary procedure in the church

The Old Regular Baptists of Central Appalachia Howard Dorgan, 2002-06 Using the techniques of anthropology ethnography and communications Dorgan brings to life the faith and practices of the Old Regular Baptists This little studied group has adherents in the Appalachian heartland of Kentucky West Virginia and Virginia **The Effective Pastor** Robert C. Anderson, 1998-10-01 What can I say to parents who have lost an infant Where do I find the time to be a good pastor and a loving husband and father too These are just some of the tough questions most pastors ask at one time or another And the answers don t come easy Robert Anderson s practical guide to the pastoral ministry highlights the many aspects of a pastor s job his qualifications prerequisites and requirements his relationships with his wife and family his congregation those outside the congregation and in counseling and visitation his tasks including worship services the Lord s Supper and baptism evangelism weddings funerals and special events his administrative tasks such as public relations correspondence Christian education youth and music ministries and encouraging fellowship Here is a volume of excellent ideas advice and general rules for the contemporary pastor in his ever changing ministry *Northwestern Christian Advocate* , 1903 **If I Could Do Church Again, Form #17.067** Brook Stockton, 2023-09-03 Guide on how to improve your church Written for pastors

Minutes of the General Assembly of the Presbyterian Church in the United States of America Presbyterian

Church in the U.S.A. General Assembly, 1918 **Governance for Nonprofits** Ted E. DeGroot, 2023-06-01 Nonprofit governance is like sports officiating. Umpires and referees don't play the game. They manage the game. That's what governance does for a nonprofit organization. People assigned to governance oversee how the organization is managed and work to make the entire business as effective as possible. Governance for Nonprofits itemizes the duties of governance, explains what a nonprofit organization needs to successfully accomplish its Mission Statement, and provides the road map to an ongoing smoothly operating profitable not-for-profit organization. Governance for Nonprofits is a basic tool that should be in the arsenal of every person that sits on a board of directors and every member of a nonprofit staff that deals with the challenges of making a not-for-profit organization successful. That's because the book explains the duties of board members and board officers, shows how to be an effective member of a board of directors, examines the purpose and limitations of board of directors, looks at the role of the board in major decision making, explains fund raising from a management perspective, walks the reader through the major steps of becoming a nonprofit, offers real life samples of important nonprofit documents, includes an introduction to IRS reporting Form 990, explains the elements and importance of bylaws, illustrates the differences between managing a small, medium, or large nonprofit, explains various types of nonprofit boards of directors, discusses the role and value of committees, looks at the impact of ethics in nonprofit operations, explains how to analyze the effectiveness of a board of directors, makes suggestions regarding term limits, demonstrates the importance of succession planning, examines the tools available to help make a board of directors function at a high level of competence, and a whole lot more. WORDS OF PRAISE: A sorely needed book for nonprofit organizations. It covers every aspect of either forming or participating in a nonprofit. This is a must read because it is not only a guide but also a reference for all thinking about forming or operating a nonprofit. Lt Col Robert S Slater, Ret US Air Force, President, Community Development District 1, Collier County, Florida. This is a great resource for senior nonprofit managers and board members who are searching for the details of nonprofit governance. Don R Pember, Ph D, Professor Emeritus, School of Communications, University of Washington, and author of Mass Media Law, Mass Media in America, Privacy and the Press. This book tackles governance and makes this dry subject actually interesting. No matter what the size of the community or what community a nonprofit serves, this book focuses on every aspect of nonprofit operation. Donna Fiala, County Commissioner, Collier County, Florida, Ret Columnist, Civic Activist. Extremely well organized as a guide or quick reference. I highly recommend this clear and easily read manual to anyone involved in any way with a nonprofit organization. Michael S Walker, Ph D, Physicist and author of Quantum Fuzz. Ted DeGroot shares his extensive knowledge and expertise in this comprehensive guide to governance for nonprofit organizations. The many examples and analogies help the reader absorb this complex subject by putting the information into context. It's a must read for board members and nonprofit executives who want to understand nonprofit governance in depth and bring their nonprofit organizations to new heights of success. Sheryl Soukup, CFRE, President, Soukup Strategic Solutions, Expertise

in Fundraising and Nonprofit Management
