Church Of England Liturgical Calendar 2015:

Nourishing Mission Graham Kings, 2021-11-15 The theological treasures gathered here show the intriguing coherence of an unfolding vision Earthed in the ministry of a priest missionary academic theologian and well travelled bishop the five settings provide 16 chapters written over 34 years in Kenya Cambridge Islington Sherborne and Lambeth Art poetry and archives mingle with theology history and spirituality Memorable scenes include a Kenyan liturgy on the environment and Bishop Gitari s preaching the drama of worship on the streets of London a Deuteronomic prequel to the Prodigal Son flashes from the lives of Henry Martyn and Stephen Harding the birth of South Sudan and the historic dialogue of John Stott and Basil Meeking **The 2015 UK General Election and the 2016 EU Referendum** Ian R. Lamond, Chelsea

Reid, 2017-05-31 This book brings together the established field of political communication and the emerging field of critical event studies to develop new questions and approaches Using this combined framework it reflects upon how we should understand the expression of democratic participation in mainstream mass media during the 2015 UK General Election and the 2016 referendum on Britain s membership of the EU Are we now living in an era where democratic participation is much more concerned with spectacle rather than substantive debate The book addresses this conceptual journey and reflects on differing models of democratic participation before applying that framework to the two identified case studies Finally the authors consider what it means to be living in a period of democratic spectacle where political events have become evental politics The book will be of use to students and scholars across the fields of political science and culture and media studies as well as wide readers interested in the current issues facing British politics **The Lambeth Conference** Paul

Avis, Benjamin M. Guyer, 2017-12-28 Originating in 1867 under the presidency of the Archbishop of Canterbury the Lambeth Conference has proactively shaped the modern world by influencing areas as diverse as the ecumenical movement post war international relations and the spiritual lives of hundreds of millions A team of distinguished scholars from around the world now detail the historical legacy theological meaning and pastoral purpose of the Anglican Communion s decennial councils The next Lambeth Conference will be crucial for the Anglican Communion which is currently afflicted by destructive tensions over matters long central to Christian identity such as the nature of holy orders the definition of sexual morality and the scope of ecclesial authority Whether in supplication or celebration both nurtured by diverse cultural contexts and furthered by the scope of ecumenical horizons these essays break new ground The Lambeth Conference is a faithful testament to generations past and a spur to the ongoing restoration of Anglican theology and devotion in the present *The Bloomsbury Handbook of Religion and Migration* Rubina Ramji, Alison Marshall, 2022-05-19 The Bloomsbury Handbook of Religion and Migration presents the story of religion and migration predominantly through the experiences of Muslims Sikhs Hindus and Buddhists considering intersectional issues including race ethnicity class gender and generation throughout Many chapters are grounded in embodied ethnography including participant observation fieldwork interviews oral history collections and
