La Coja Y El Encogido (the Lame Girl and the Bashful Man) Juan Eugenio Hartzenbusch, 2016-12-01 Excerpt from *La Coja Y El Encogido the Lame Girl and the Bashful Man Comedia En Tres Actos Y En Prosa* I have endeavored to present a literal translation as closely as seemed expedient At times this has been impossible as I have tried above all to preserve the tone and spirit of the thought by giving equivalent English when a literal translation would make the meaning either obscure or vague The explanations in the notes sometimes more elementary than the advanced student in Spanish would require will I trust be found amply full to those who may have no acquaintance whatever with Spanish literature Were one to give a hasty glance at the rise and growth of the Spanish drama he would find that though Juan de la Encina born in 1466 is called its founder a century passed after his death before Spain could claim a great modern dramatic poet Encina did not write dramas but rather poetic dialogues They were devoid of dramatic situations and incidents About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
