Leadership for change W.P. Wahl,René Pelser,2020-12-31 This edited volume reveals how the journey of transformation at the University of the Free State UFS became interwoven with student leadership development and global learning The UFS initiated two intersecting co curricular programmes namely the First Year Leadership for Change F1L4C programme in 2010 and the triennial Global Leadership Summit GLS in 2012 Although these programmes changed over time their core focus remained to be the development of transformational student leaders through the creation of global learning spaces From its inception in 2010 to the last GLS in 2018 the UFS global learning project involved 780 students and 259 staff members from 109 institutions across four continents The goal of this edited volume is to create a deeper understanding of how the UFS F1L4C and GLS programmes enhanced student leadership development through global learning especially in the context of higher education transformation

CeDEM11 , Social Policy for Social Work Lorraine Green,Karen Clarke,2016-03-31 Contemporary social work cannot be understood without an appreciation of the broader context of social policy in which it takes place Such an understanding is increasingly important as social workers are expected to work across institutional professional and even national boundaries in new ways profoundly affected by the changing global context This insightful book examines how shifts in the dominant political ideology have affected the nature of welfare provision the kinds of social problems addressed by policy and the balance of responsibilities for well being between individuals the family voluntary organizations the market and the state It explains the impact of these developments on the organization of social work and on relationships between social workers and service users The book discusses contested concepts central to social work such as justice liberty equality difference need and risk and illustrates these through a range of examples The critical analysis provided in this book offers students of social work a crucial foundation for negotiating difficult and sensitive practice situations and defending their profession providing them with the tools and knowledge to uphold key professional values

Public Services or Corporate Welfare Dexter Whitfield,2001-01-20 Examining the role of the modern nation state Dexter Whitfield assesses the achievements failures costs and benefits of the neoliberal and third way transformation of the state He demonstrates that

private finance of infrastructure marketisation of government and privatisation of the welfare state are accelerating the globalisation process and generating ever larger financial social and environmental crises Whitfield analyses current trends which are exacerbated by the marketisation and partnership agenda advocated by global bodies such as the World Bank IMF and WTO He reveals how these policies further reduce the capacity of the state in the global economy its ability to provide good quality public services and inevitably create a corporate welfare complex Within a framework for understanding the extent scale and impact of the transformation of the state the author forecasts the implications of the continuation of current policies
