British Children's Literature and the First World War David Budgen, 2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914-18 for young readers *British Children's Literature and the First World War* examines the role novels, textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F. Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events **Heritage Comics Dallas Signature Auction Catalog** Ivy Press, 2006-07 *HCA Comics Dallas Signature Auction Catalog #823* Ivy Press, 2006-12 **HCA Heritage Comics Auction Catalog** Ivy Press, 2006-10 [The Official America Online for Windows 3.1 Tour Guide](#) Tom Lichty, 1996-06 *Writers' Handbook 2023* J. Paul Dyson, 2022-08-26 The 2023 edition of firstwriter.com's bestselling directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines It contains over 2,000 listings including revised and updated listings from the 2022 edition and over 350 brand new entries Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 4,000 authors and tells you who represents them or who publishes them or both The number of genres in the index has expanded to over 800 So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance Fantasy Romance Supernatural Paranormal Romance Contemporary Romance Diverse Romance Erotic Romance Feminist Romance Christian Romance or even Amish Romance The new edition includes Over 750 literary agents and agencies Over 500 magazines and Over 800 publishers that don't charge fees International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries With more and more agents, publishers and magazines accepting submissions online this international outlook is now more important than ever There are no adverts, no advertorials and no obscure listings padding out hundreds of pages By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more
